You, You, You, and You, and You, and You, and most everyone You know, are under chemical and biological and predictably coming mass physical assault by the fascist movement operated by global corporations, central banks, and politics. In its simplest form, today's extremely wealthy class, the top 3% wish to bankrupt, enslave, and reduce the population numbers of common people. The following index presents information that describes and details this modern-day interlocked corruption upon us all. Widespread awareness is the only solution to this global genocide. So, share this.

## The Elite Network

(summarised version)

This is the semi-hidden remainder of the current world **Organization Chart** that diagrams the many levels of the power structure of the current world system.

The people running our world represent just about 10,000 people. What percentage of the world's population is that?

10,000 / 7,000,000,000 - that is one globalist for each 700,000 people or

**.0000142%**

**are controlling our entire world.**

**Soldiers, Let's Arrest Them - they are serial criminals!**

**It is much easier for you and also more lucrative and beneficial to you to arrest them than fight all of us!**

Truth Beckons

**Howard Zinn**

“ You are saying our problem is civil disobedience, but that is *not* our problem.

Our problem is civil **obedience**.

Our problem is the numbers of people all over the world who have obeyed the dictates of the leaders of their government and have gone to war, and millions have been killed because of this **obedience**.

Our problem is that people are obedient all over the world, in the face of poverty and starvation and stupidity, and war and cruelty.

Our problem is that people are obedient while the jails are full of petty thieves, and all the while the grand thieves are running the country.

**That's our problem.”**

**This is your Last WARNING**

“One day after I am long gone, you will remember me and say, we should have stopped the nuclear program of Israel, abolished the Federal Reserve and kicked all secret societies, occultists, usurpers and Zionists out of our wonderful country, to keep it that way, but it is never too late, just remember that.”

- John F. Kennedy

**Listen to the TRUTHERS**

[atruthsoldier.wordpress.com](http://atruthsoldier.wordpress.com)

This book, to all the common people of the world, is about priorities. Priority means “what is important” in relation to other things. For example, if part of your house catches fire, and your child runs into the TV room to alert you of it, should the priority of your house being partially on fire supersede any sports or entertainment on tv, perhaps until the commercial break? *The wise choice would be to get up immediately and take care of the fire situation* with buckets of water and possibly alerting others to come help you save your home from devastation.

The same applies for the topics presented in this book. Your environment is being degraded by out-of-control corporations and your out-of-control government. Your finances are being screwed with by an out-of-control banking system and empire. Your drinking water (poisoned with toxic chemicals), air (atmospheric chemical spraying), and food (GMO – Genetically Modified Organisms) are being adulterated with. Your taxes are going up, another 10% or more across the board on January 1<sup>st</sup>, 2013. Simply stated, the price of living is going up and up and up and your lifespan is being pounded down and down by greedy controlling interests over today's society. And a police state alike the former Soviet Union or fascist Germany is being constructed slowly and incrementally in front of you / but more technologically, especially in the USA. Perhaps a better word than adulterated, as written above, is “corporated” or “corrupterated” and/or “goverated”. This mafia of a system is trying to setup WWII in September 2012.

It's time to **RESPOND!** Actually yesterday was the time to act, or a decade ago, but now the situation from all 360 degrees around us has reached extreme and rather alarming levels. Today's “news” is a constant and bewildering series of events that makes the viewers heads spin daily. It makes most people feel confused and helpless. We don't need a corrupt system for the continued benefit of the filthy wealthy. And most people world-wide don't want perpetual warfare. We can develop a much better system.

So friends, a person who has less money than the average person (like you) is writing you and giving this internet booklet out for free distribution. Why? Because this person cares about you as much as this person cares about themselves, alot. So I am saying to you, as many other have attempted to in the past decades, that the important issues and distractions today should not be hollywood movies, top-40 music, American Idol, Dancing with the Stars, or baseball, basketball, or even *football*. All you, and you, and you, etc, have to do is come together; and convince the militaries everywhere it is easier and more beneficial to topple this corrupt system instead of fighting the general public.

This booklet describes the ***Economics of Corruption***; and we should all become familiar with it enough to properly resist it /and/ where needed institute justice so these sneaky types of systemic mega-crimes do not perpetuate! Ok???

There are some among us who may still believe there is nothing going wrong – that incremental states of corruption, abuse, warfare, and enslavement are just normal -- but those are types of people who couldn't state and detail the differences between the US Constitution and the Marxist Communist Manifesto. You, like the rest of us scattered across the countryside and the world around, are reading this because you already know something has gone very wrong in America and other places. Or perhaps it was emailed to you by a friend who feels that way, and you are just curious or starting to get concerned. Perhaps tyranny has already painfully fined, hurt, diseased, damaged, imprisoned, stolen, disappeared, or murdered a member of your family, home, or circle of friends.

This PDF booklet was limited to under 10 megabytes in size, so it may be shared fast and easily through email and memory cards; although it could have been encyclopedic: a terabyte out of out-of-control political, banking, wall street and corporate corruption. Only a few of us would like to read that much anyways. Effort has been made to compile this with the most brevity without diminishing clarity or criticality.

This particular booklet is a bit advanced, in terms of its focus on a solution to the current mess. The thousands of informative books and hundreds of eye-opening films that have been made in the past decades about the now rapid formation of the global governance plan, publicly stated as the 'new world order', have focused primarily on the crimes and gross quantities of evidence of the intrigue of the extremely wealthy and their subordinates; who have been identified as history's controllers, puppeteers, actors, and actresses. You are already intimately familiar with many of these personages; especially the very visible ones associated with the large corporate news media and hollywood. It is their job to give entertainment the highest priority and make everything seem normal.

The solution, most simply, is that We, the billions of common people worldwide, have a deep need to soon become the masters of our future and own fate; needing to change the way we have looked at history up to the year 2012. Then re-look at the way we are currently being laughed at, manipulated, controlled, bankrupted, weakened, poisoned, soft-killed, viciously killed; with the survivors among us becoming ever more enslaved.

Finally we need to imprison the many thousand assorted tyrants of our time and shake off all the former economic, mental, and physical shackles. Then build the -best- world for each other and ourselves and our next generation that we can imagine and build.

This book will provide some core ideas for increased capability, independence, freedom, and prosperity for all of us. How much we share and endorse this new way of looking back and thinking will determine our success at being who we are, fellow human beings.

And how can we really do this? First we need to **recruit** all the militaries to our side.

American culture today has been immersed in entertainment and perpetually distracted with sports. It has been discovered by the “truth movement” that most Americans have lost their moral compass and are so bamboozled with entertainment channels these days that they can hardly recognize or prioritize important information and have difficulty discerning what is fact from fiction. This is how the current system gets away with perpetual string of crimes. Communist agents call it 'demoralization' of a people. Perhaps better put for Americans, the average American is “*factose-intolerant*”.

So, as the following material covers very heavy topics....

first some easily digestible “humor”, over 200 one-liners...

Obama-nation: "National Socialism" (1939-1945 Germany); power in fewer hands has already before drastically TWICE PROVEN TO BE A TERRIBLE IDEA.

The prophetic "OBAMAGRAM" decoding is CLEAR AND MOST HIGHLY obvious.

Obama Can't Save You unless You prevent Obama from casting more deceptions; which started with his fake/forged Hawaiian birth certificate (see: [obamacrimes.com](http://obamacrimes.com)). Otherwise, perhaps, the future is already foretold.

The first decoding literally states Obama ("Oh....bomb-us??") will at least appear to be taken out in a bomb blast.

The beast system is not loyal to anyone, only the beast system itself, even Obama.

"They", the global criminal aristocracy, will apparently have Obama ass-asinated.

If Obama is not seen live at ground zero just prior to the the detonation (Washington DC?)

his pseudo-demise could only be yet another ruse. [ A large deep tunnel system exists under DC.

The white house has a hidden entrance to an underground tunnel network and secret facility. ]

Why a nuke? The incredible decoding states: "A bomb eradicates prank!"

(Letters of "President Barack Obama"): and "Ape bomb! Stark radiance!"

"Stark Radiance" seems to imply nuclear. It appears one of the two decoded Obamagram scripts will be played out.

To help prevent future horror: hot photatocopy this, email, print booklets, even sell for a profit.

ABOUT THE fascist "NEW WORLD ORDER" BEAST SYSTEM; PUBLIC OPINION MEANS EVERYTHING.

Things are now getting worse - even more than under the former puppet scrub Bush Jr!. Total Darkness!

Action! : The major media **celebrity liars** WORLDWIDE need to be **arrested & incarcerated** until the trial, then quickly after them, the **world's criminal elite class for trial**. And **ASAP!**

The global elites have to be contained by the good forces within the various world militaries; a mutiny! Those helpful in their round-ups will receive full pensions funded from the gold, silver, real estate, etc. reclaimed for the people from the Rothschild's and other elites. The "6660" or so elites should be contained in a "floating capstone" prison island, where they can dominate themselves and we can watch via a new reality tv show, like "Lost", but more fun & real.

So QUIT ACCEPTING THE CORRUPT SYSTEM'S EUGENICS/MERCURY TAINTED VACCINATIONS, TOXIC FLUORIDE, NAKED BODY SCANNING, MASS MEDIA LIES, WARS, AND OTHER SOCIALIZED CONDITIONING! AWAKEN TODAY!

Discuss together and prevent the elite's ongoing bio-attack strategies! Do it for you and others!

( More information, updated daily: [GCNlive.com](http://GCNlive.com) (The Genesis Communication Network)

Ultimately the criminal elites will help in deciding their own eternal judgment. So will you... Help by utilizing the internet to help create a mass awakening & e-mail this to friends! Say "No" to preemptive war with Iran and world war - and "Yes" to no fluoridation & naked body scans!

Contrary to claims by Michelle Obama of growing up in meager means, Barack went to prestigious schools in both Indonesia & Hawaii and never lived in poverty

Obama has never lived in a lower income or black neighborhood

When acting as a community organizer serving the people of 'the projects,' he commuted 90 minutes every day while living in an apartment in Chicago's famous Hyde Park

Obama was instrumental in protecting slumlords who used the system to avoid due process and fines while putting poor people out on the streets... some during subfreezing Chicago winters

## OBAMA'S BIG LIE REVEALED

Barack Obama's real father is:

in Amazon's #1 documentary!

**Communist Party Propagandist Frank Marshall Davis**

**New film reveals to America who the President really is**

- Obama's real father was Communist Party USA propagandist Frank Marshall Davis, a suspected Soviet agent. Davis indoctrinated Obama into Marxism from ages 10-18.
- Barack Obama's life story, the basis of his political career, is a fairy tale. The "Kenyan goat herder" father was only a sham marriage to hide an illicit affair. Obama used him to obscure a Marxist political foundation. America has been had!
- Beginning in 1983, Weatherman Bill Ayers, and his father Tom Ayers, funded Barack Obama's education and nurtured his political career.
- Obama is a "Red Diaper Baby," following the Saul Alinsky strategy to COLLAPSE Capitalism and DESTROY the American Middle Class:

TAX Health Care + LEGALIZE Illegals + STIMULUS for Cronies + ATTACK Business + Food Stamp DEPENDENT Society + Welfare WAIVERS = **BANKRUPT AMERICA**

# Barack Obama - The Red Menace

By Another Sojourner for Truth

September 12<sup>th</sup>, 2012

Mr. Obama's records are a matter of national security, as well as world concern, because it is now crystal clear that the man who calls himself "Obama" is a "red" Communist waging a Marxist coup-d'état to overthrow the Constitutional Republic of the United States— a coup which has been in the making for more than five decades.

## Part I: Communism: The War on Freedom and Capitalism

In 1959, the Premier of the Soviet Union, Communist Nikita Khrushchev, said to America: "We will bury you" and shockingly, his prediction of fifty-three years ago is now a clear and present danger to the United States! How *did* this happen and how *could* this happen when Americans were so aware of the [threat of Communism in the late 1940s and 1950s](#), as the following six film clips forcefully show:

[The Red Menace](#) (1949): clip: <http://www.youtube.com/watch?v=dXO88iyOyK8>,

## COMMUNISM WITH A SMALL "c"

Fourteen years after Khrushchev issued his warning, in January 1963, the following list of [45 Communist goals](#) was read into the U.S. Congressional Record by Congressman Albert S. Herlong Jr., a Democrat, from Florida. This list of goals was extracted from W. Cleon Skousen's revelatory book [The Naked Communist](#).

"The Communists and the Democrats are working together to do the following and have either achieved their goals or are still working toward them. After each comment, the coinciding numbered item on the Communists' list appears."

"Barack Obama has winked at the Russians and told them he will continue to disarm America when he is re-elected. 3"

"He has increased trade with Communist China. 4"

"Obama and the Democrats have long since come to represent the goals of Communism. 15"

"Democrats use the courts to weaken basic American institutions. 16"

"Get control of schools to teach socialism through control of teachers unions. 17"

"Infiltrate the press. 20"

## MARXISM AND GENOCIDE

It is hard to fathom that the [number of people murdered](#) by Marxist Communists in the twentieth century may be as high as 250 million! Their victims were mostly Christians, capitalists, opponents of Communism and whoever else the Marxists deemed to be their enemies. To Marxists, human lives are expendable, especially unborn babies and the elderly. In the United States approximately 50 million unborn babies were murdered by “legal” abortion, bringing the total closer to 300 million souls who lost their lives due to Communist ideology.

Alarming, it now appears that Caucasians are in their crosshairs, as white South African farmers are being slaughtered in a blatant genocide, and the world is doing nothing to condemn or stop it. Will this “white genocide” be coming to America in the spirit of “social justice?”

See Genocide looms for white farmers: <http://www.wnd.com/2012/08/genocide-looms-for-white-farmers/>. Similarly, a “black” genocide, mostly targeting black Christians, is rampant throughout Africa and has been allowed to continue for too many years with too little outcry!

And while all this bloodshed is happening in South Africa, Secretary of State Hillary Clinton appears to have not addressed this issue on her trip to South Africa last month (August 2012).

"Allowing this genocidal dictatorship, which has killed thousands of its citizens, to serve on such a body is beyond hypocrisy, it is callous, dangerous, and tragic," she said in a statement issued as the chairman of the House Foreign Affairs Committee."

## **IS OUR GOVERNMENT NOW THE ENEMY AND ARE AMERICANS NOW "TERRORISTS?"**

Americans today rightfully wonder and justifiably fear what is being planned for them by the Marxist Obama regime! Their anxiety is not the stuff of conspiracy-theory paranoia, nor is it expressed by those accustomed to exaggeration and hyperbole.

Rather, pundits and bloggers, radio hosts, and ordinary citizens are asking why several departments in our government – Homeland Security, The National Oceanic and Atmospheric Administration (NOAA), the Social Security Administration, and the U.S. Forest Service – have recently ordered upwards of 1.4 billion hollow-point bullets and other highly-suspect materiel. Who are the bullets intended for? The American people?

## **THE THREATS FACING AMERICA**

The United States, the Western world, and civilization itself are clearly and undeniably in grave danger as the Constitutional rights, property, freedom, futures, and lives of all Americans are being assaulted and facing threats on all fronts every day and the U.S. media is and has been complicit in this cover up, which Sheriff Joe Arpaio has called "ten times worse than Watergate."

In the following speech, President Kennedy defined what transparency really is and why it is important and necessary in a "free and open society."

President John F. Kennedy's Media and Secret Society Speech (April 27<sup>th</sup>, 1961)  
<http://www.youtube.com/watch?v=xhZk8ronces>

President John F. Kennedy's Media and Secret Society Speech – Complete Transcript  
<http://pastebin.com/f65d4172a>

“The very word "secrecy" is repugnant in a free and open society; and we are as a people inherently and historically opposed to secret societies, to secret oaths and to secret proceedings. We decided long ago that the dangers of excessive and unwarranted concealment of pertinent facts far outweighed the dangers which are cited to justify it. Even today, there is little value in opposing the threat of a closed society by imitating its arbitrary restrictions. Even today, there is little value in insuring the survival of our nation if our traditions do not survive with it. And there is very grave danger that an announced need for increased security will be seized upon by those anxious to expand its meaning to the very limits of official censorship and concealment. That I do not intend to permit to the extent that it is in my control. And no official of my Administration, whether his rank is high or low, civilian or military, should interpret my words here tonight as an excuse to censor the news, to stifle dissent, to cover up our mistakes or to withhold from the press and the public the facts they deserve to know.”

President Kennedy and Chairman Khrushchev

[http://www.armscontrol.org/act/2002\\_11/cubanmissile](http://www.armscontrol.org/act/2002_11/cubanmissile)

Silence in the face of this collusion and conspiracy against the American people, the U.S. Constitution and Bill of Rights, is only helping to hammer the nails into our collective coffins and time is running out. More and more Americans are seriously wondering if there will even be elections in November 2012 and if Mr. Obama will stage a false flag event like the [Reichstag Fire](#) that was staged by Hitler in Germany, call for Martial law, and suspend the elections so he can retain power, thus completing the promise he made to “fundamental transform” our country into a Communist nightmare!

It is imperative that all Americans *immediately* demand in unison:

"Mr. Obama: Unseal your records!" because it is now apparent that Mr. Obama's records are a matter of national security!

### **THE RUSSIANS REALLY ARE COMING!**

Elections have consequences, which is why there are many Americans who today believe that America elected the wrong man to be President in 1964! Barry Goldwater understood the threat that Communism was to America as the following clip shows:

Barry Goldwater - Khrushchev, We Will Bury You 1964 Election Ad  
<http://www.youtube.com/watch?v=OwJHg9UBNPE>

The anti-Communist film, “The Red Menace,” debuted in 1949. Only seventeen years later, the culture had changed so much that the subject of Russian troops landing on the Massachusetts coast had become comedy!

*The Russians Are Coming, The Russians are Coming* (1966) - clip from film:  
<http://www.youtube.com/watch?v=pXXGep9RB34>.

But now this is no longer comedy! Senator Cornyn recently asked why there were undetected – or at least unreported -- [Russian attack submarines in the Gulf of Mexico](#) in June and July, 2012.

“Cornyn presses Navy for more info on Russian subs in US coastal waters (August 17<sup>th</sup>, 2012) by Carlo Munoz.” <http://thehill.com/blogs/defcon-hill/navy/244169-cornyn-presses-navy-on-Russian-subs-off-us-coast->

“A top Senate Republican wants to know how a Russian attack submarine was able to conduct a patrol mission miles off the U.S. Coastline without the knowledge of the American military or intelligence officials. In a letter to Chief of Naval Operations Adm. Jonathan Greenert on Friday, Sen. John Cornyn (Texas) demanded ‘a detailed explanation of the facts’ surrounding the incident in which an Akula-class nuclear attack submarine was able to sail into the Gulf of Mexico undetected.”

““The submarine patrol ... seems to represent a more aggressive and destabilizing Russian military stance that could pose risks to our national security,” Cornyn said in the letter.””

Then, a Navy chief *denied* that it happened!

“Navy chief denies Russian sub entered Gulf of Mexico”: August 31, 2012:

<http://freebeacon.com/gulf-war/>

On September 4<sup>th</sup>, 2012, Chet Nagle wrote the following article on the same incident: *The Russians are Coming, the Russians are Coming*:  
[http://www.familysecuritymatters.org/publications/detail/the-russians-are-coming-the-russians-are-coming?f=must\\_reads](http://www.familysecuritymatters.org/publications/detail/the-russians-are-coming-the-russians-are-coming?f=must_reads)

“In 1966, a Soviet captain ran his submarine aground on a Massachusetts beach in the comedy film, *The Russians Are Coming, the Russians Are Coming*. In 2012 a Russian captain took his submarine into the Gulf of Mexico and did not run it aground. Instead, he proved the United States could neither detect nor deter him, and then sailed home. Senator John Cornyn, (R-Texas) did not think it was a comedy.

According to press reports, the Russian navy sent a stealthy Akula nuclear submarine into the Gulf of Mexico on a month-long patrol in June and July. With his eye on 624 miles of Texas Gulf coastline, Senator Cornyn wrote to the Chief of Naval Operations, Admiral Jonathan Greenert, and demanded a detailed report on the incursion.”

Sadly, Americans and the rest of the free world were duped into thinking that Communism was dead and gone with the historic and iconic tearing down of the Berlin Wall in November 1989.

Communism did not die, but like a deadly virus, gained strength as the “progressive” movement mutated and went deeper underground when the Union of Soviet Socialist Republics (USSR) collapsed in 1991.

Listen carefully to the words spoken by President Ronald Reagan at Brandenburg Gate [1987] - “tear down this wall”:

## THE PLANNED DISARMAMENT OF AMERICANS AND AMERICA

The plan to disarm the American people was apparently initiated in 1961 and is described in the following article by Thornton Parsons in July 2012: “Obama’s Red Freudian slip is showing” – <http://www.lsnewsgroup.com/2012/07/27/obamas-red-freudian-slip-is-showing/>.

“This plan was perfectly designed to confiscate the arms of law-abiding citizens in America under the ruse of preventing war. It acknowledges that the goal can be successful by using the United Nations and a treaty that would, in time, accomplish their plan. Now at the final threshold, just a few decades later, it appears that the blue-helmeted United Nations forces will now be able to dictate how Congress and Americans can utilize their Constitutional rights. An excerpt from the Department of State in 1961 states: “. . . a world where adjustment to change takes place in accordance with the principles of the United Nations; a world where there shall be a permanent state of general and complete disarmament under effective international control and where the resources of nations shall be devoted to man’s material, cultural, and spiritual advance . . . .”

Win-Win for both the U.S. and Russia? Senator DeMint does not agree!

The New START Treaty [2010] Weakens U.S. National Security. The treaty makes America and her allies vulnerable to rogue nations”:

<http://www.usnews.com/opinion/articles/2010/08/16/jim-demint-the-new-start-treaty-weakens-us-national-security>.

“The concessions President Obama made to Russia to get the New START signed are precisely why the Senate should not ratify it.”

“New START is another Obama giveaway at the expense of U.S. citizens. The treaty mandates strategic nuclear weapons parity with the progeny of an old Cold War foe, yet allows the Russians to maintain a 10-to-1 tactical nuclear-weapons advantage. Whether in warhead and launcher limits, verification, or missile defense, America loses. The treaty dampens the U.S. ability to defend against missile attacks and makes America and her allies vulnerable to rogue nations while receiving nothing for our concessions.”

According to Trevor Loudon, a New Zealand native and prolific blogger, when our military is finally dismantled, Russia will destroy the U.S. This is what they have been working toward for decades: It is their endgame!

Then, on August 24<sup>th</sup>, the State Dept. went even further:

Recent Report: State Dept. Considers Eliminating US Nuclear Arsenal (August 24<sup>th</sup>, 2012)

<http://www.breitbart.com/Big-Peace/2012/08/23/Report-Obama-s-State-Dept-Considering-Elimination-of-Our-Nuclear-Arsenal>

“Although President Obama's current defense cuts are so drastic that even Rep. Nancy Pelosi [is scared](#) they might cost Democrats more seats in the House, State Dept. advisers are [reportedly](#) encouraging further cuts and even the all-out elimination of the U.S. nuclear arsenal.”

Obama's Plan for U.S. Arsenal Unsealed in Charlotte:

<http://www.wnd.com/2012/09/obamas-plan-for-u-s-arsenal-unsealed-in-charlotte/>

“The Democratic Party's formal 2012 platform, unveiled at its convention in Charlotte, N.C., last night, calls for reductions in the U.S. nuclear stockpile but does not reveal the specific number of nukes to be destroyed.

However, a recently released book suggests the specific blueprint for a second Obama term includes plans to reduce the U.S. nuclear arsenal to no more than 292 deployed nuclear weapons.”

## THE "FAIRY TALE" PATERNITY OF BARACK OBAMA SR.

Increasing numbers of people consider Obama's entire birth story [as well as his *entire* biography] to be a fantastic piece of fiction and have speculated that his father was more likely to be Frank Marshall Davis, Malcolm X, or even his alleged grandfather, Stanley Armour Dunham, [Obama says [here](#) that his father served in World War II and [here](#) that his father's coffin is draped with the American flag]. His real mother may have been either an exotic girlfriend of Stanley Armour or possibly a white girlfriend of Malcolm X.

Washington insider Dr. Jack Wheeler seems to accept Obama's claimed lineage, but with a twist: <http://www.debrajmsmith.com/obamanotAA.html>

"He has no real identity," Wheeler writes. "He is half-white, which he rejects. The rest of him is mostly Arab, which he hides but is disclosed by his non-African Arabic surname and his Arabic first and middle names as a way to triply proclaim his Arabic parentage to people in Kenya. Only a small part of him is African Black from his Luo grandmother, which he pretends he is exclusively."

"What he isn't, not a genetic drop of," Wheeler continues, "is 'African-American,' the descendant of enslaved Africans brought to America chained in slave ships. He hasn't a single ancestor who was a slave. Instead, his Arab ancestors were slave owners. Slave-trading was the main Arab business in East Africa for centuries until the British ended it."

That Barack Obama, Sr. is the real father, is the premise of the new film:

2016: *Obama's America*: <http://2016themovie.com/>.

Drew Zahn writes, in his September 2012 article, *Does Obama Really Hate America*:

"If D'Souza is right that Obama has concealed a raging anti-colonialist worldview in a false cloak of Ivy-league liberalism, then many of the Internet's wildest rumors could prove legitimate: Obama actually *would* want to see the U.S. economy crumble; his budget cuts and nuclear reduction drive really *would* be an attempt to undermine the U.S. as a world superpower; his push for global warming initiatives really *could* be just a way of forcing developed countries to pay undeveloped nations billions in reparations; and ... well, really ... he *would* hate America."

## FRANK MARSHALL DAVIS: THE SOVIET UNION'S MAN IN HAWAII

Joel Gilbert: *Dreams from My Real Father*, [www.obamasrealfather.com](http://www.obamasrealfather.com).

Joel Gilbert's brilliantly documented and researched new film, *Dreams From My Real Father* posits that "Obama" is the biological and ideological offspring of Frank Marshall Davis, who was a known Communist with confirmed connections to the Communist Party ([CPUSA](#)) and the (then) U.S.S.R., whose dreams were to overthrow and destroy America. If Frank Marshall Davis is the father, then Obama is undeniably a Communist "mole."

"A curious specter will be hovering over the Democratic convention this week. It is the ghost of Frank Marshall Davis, Communist [Party](#) USA member 47544 and mentor to a young Barack Obama."

"Readers of this site are well aware of Davis, from my writings and those of others who have posted articles here. Davis joined the Communist Party during World War II and was unflinchingly pro-Soviet and pro-Red China. He was the founding editor-in-chief of the *Chicago Star* (1946-48) -- the CPUSA publication for Chicago -- before moving on to the *Honolulu Record* (1949-57), the CPUSA publication there. He excoriated the Western leaders who stood in the way of Stalin, meaning Winston Churchill and Harry Truman, whom he portrayed as colonialists, imperialists, fascists, and racists."

"Frank Marshall Davis's politics were so radical, and so pro-Soviet, that the Democrats who ran the Senate in 1956 summoned him to Washington to testify on his pro-Soviet activities. Even more remarkable, the FBI placed him on the federal government's Security [Index](#), meaning that if a war broke out between the United States and the Soviet Union, Obama's mentor could have been placed under immediate arrest."

## **MALCOLM X**

It is extremely alarming to learn that in December, 1960, [Malcolm X said](#) that he is a Marxist/Leninist and "the revolution" is starting in Harlem and Africans will be free with the assistance of the Russian army. Did Malcolm X conspire with Nikita Krushchev? Could Malcolm X really be Obama's father?

In 1992, during a business trip to Moscow, the Russians told American businessman Tom Fife about a future U.S. president who would be half-black and a Communist, and born of an African father and an American mother.

## DID OBAMA ATTEND PATRICE LUMUMBA UNIVERSITY IN MOSCOW

In this must-listen interview by Rick Wiles of Attorney Stephen Pidgeon, the author of [The Obama Error](#), maintains that a man named "Obama," a law student who was born in 1961, was a documented student at the Patrice Lumumba University in Moscow, which, according to Attorney Pidgeon, was "a boarding school for recruits being trained in the techniques of communist overthrow."

[http://www.youtube.com/watch?feature=player\\_embedded&v=DH16Vj1T-4M](http://www.youtube.com/watch?feature=player_embedded&v=DH16Vj1T-4M)

Soviet spy for the U.S., Lt. Colonel Oleg Penkovsky, in his notes that became *The Penkovsky Papers*, described Patrice Lumumba University this way:

"The entire faculty of that university is made up of K.G.B. employees, even the people in charge of the dormitories. ... The basic task of the Friendship University is to prepare a fifth column for the African countries. Many of the students have already been recruited, and are now working for the Soviet intelligence service. They are studying Marxism and Leninism, being prepared politically to become the future leaders of African countries. As a first step, after their return from Moscow, they are directed to organize strikes, demonstrations, overthrow governments, etc. In the university they are well fed, clothed, and given money. They live better than the average Soviet student; almost everything is paid for." ---*The Penkovsky Papers: The Russian who spied for the West*, Collins Publishers, 1965, p. 190.]

Attorney Pidgeon predicts that Obama will double cross the "New World Order," throw them under the bus, and will establish an Islamic caliphate with himself at its head. This could very well be, but could the conspiracy be more complicated than even Attorney Pidgeon believes? Could Russia be pulling Obama's strings and could it be Russia's ultimate aim to dominate the world?

In this excerpt from Tom Fife's conversation in 1992 with the Soviet Communist party member, that appears to be the plan:

"Since I had dabbled in languages, I knew a smattering of Arabic. I made a comment: 'If I remember correctly, 'Barack' comes from the Arabic word for 'Blessing.' That seems to be an odd name for an American.'" She replied quickly, "Yes. It is 'African'", she insisted, "and he will be a blessing for world Communism. We will regain our strength and become the number one power in the world."

[Mahmoud Abbas](#) and [Ayatollah Khomeini](#) of Iran studied at the Patrice Lumumba University in Moscow and [a former KGB admitted that Al Zawahiri was trained by the KGB in 1998.](#)

Mahmoud Abbas: Graduate of Patrice Lumumba School in Moscow:

<http://www.youtube.com/watch?v=pFqQ08IBalg>

One has to wonder why the first call that Obama made immediately after his inauguration was to Mahmoud Abbas, Chairman of the Palestine Liberation Organization since 2004, and President of the Palestinian National Authority since 2005, which he ran for on a terrorist Fatah ticket.

Mahmoud Abbas's [thesis](#), in which he denies that six million Jews were murdered by the Nazis in the Holocaust, was completed in 1982 when Abbas was a student at Patrice Lumumba University, and later morphed into the book *The Other Side: the Secret Relationship Between Nazism and Zionism* (1984).

Could Obama and Abbas have been classmates at Moscow's Patrice Lumumba University in 1982? Obama's whereabouts in 1982 are not known and he was not at Columbia University. Without Obama's records, this possibility cannot be ruled out.

“There has always been a bit of mystery surrounding Sen. Richard Lugar's trip to Russia in 2005 with the newly-elected Senator from Illinois, Barack Obama, as part of the Cooperative Threat Reduction program which oversaw the elimination of some nuclear weapons. In particular, was the incident where Lugar and Obama were detained by Russian authorities for several hours while their passports were inspected. Actually, it was only Obama's passport that the Russians were interested in inspecting, but Lugar has always provided cover for Obama concerning the incident. The American Thinker's Mondo Frazier has an interesting perspective on [what it was the Russians were interested in learning more about Obama](#). Frazier cites Italian sources as claiming the Russians were interested in learning about Obama's role as a spy for the British government, one of the three countries of which he has held citizenship.”

In Moscow, Igor Panarin's Forecasts Are All the Rage; America 'Disintegrates' in

2010: <http://online.wsj.com/article/SB123051100709638419.html>

MOSCOW -- For a decade, Russian academic Igor Panarin has been predicting the U.S. will fall apart in 2010. For most of that time, he admits, few took his argument -- that an economic and moral collapse will trigger a civil war and the eventual breakup of the U.S. -- very seriously. Now he's found an eager audience: Russian state media.

Mr. Panarin posits, in brief, that mass immigration, economic decline, and moral degradation will trigger a civil war next fall and the collapse of the dollar. Around the end of June 2010, or early July, says, the U.S. will break into six pieces -- with Alaska reverting to Russian control.

### Part III. The Man Who Calls Himself President Obama

<http://artsbeat.blogs.nytimes.com/2008/05/21/what-obama-is-reading/>

(Doug Mills/The New York Times)

Just four months after Obama's inauguration, in May 2009, Joan Swirsky said, in her prescient article, "[The President Who Hates His Country](#)":

"In just the first 100-days of his tenure, Obama's words and actions have demonstrated that he is no friend of the country he leads. This is only a smattering of what happened on his recent three-continent trip abroad and to Mexico:

- In France, Obama told his audience that America "has shown arrogance and been dismissive, even derisive" toward Europe.
- In Prague, Obama – in true utopian-kindergarten fashion – pledged "with conviction" that America will "seek the peace and security of a world without nuclear weapons." In other words, destroy big bad America's ability to defend itself!
- In London, Obama made clear that the world's financial wealth was no longer made by those inferior leaders Roosevelt and Churchill, effectively ceding America's leading role in creating and sharing wealth to nations that have never measured up to our country's bountiful generosity or spirit of free-market entrepreneurship.

- In Port of Spain, Trinidad and Tobago, Obama sat passively while the Marxist Chavez handed him an American-bashing book and delivered another revile-America speech, while never once rising to defend our country.
- In Port of Spain, Trinidad and Tobago, Obama again sat passively while the Marxist Ortega blamed the United States for a century of what he called terroristic U.S. aggression in Central America, again emitting not a whisper of defense on our country's behalf.
- In Turkey, Obama said – incredibly and inaccurately – that America was not a Christian nation.
- And in his recent trip to Mexico, Obama said that the escalating border violence was essentially America's fault."

[http://www.americanthinker.com/blog/2009/07/obamas\\_hand\\_over\\_heart\\_for\\_rus.htm](http://www.americanthinker.com/blog/2009/07/obamas_hand_over_heart_for_rus.htm)

In his trip to Russia as President of the United States in July 2009, Obama was photographed placing his hand over his heart when the Russian anthem was being played, but as we can see, he didn't place his hand over his heart during the playing of the U.S. national anthem.

“Turns out he’s not Kenyan after all. He’s [KGB](#). All this time, people were worried that President [Obama was born in Africa](#) and that his radical agenda had been crafted by the Rev. [Jeremiah Wright](#) and [Saul Alinsky](#) on the streets of Chicago’s South Side.”

“Now we know his real radical hidden agenda is in service of the Kremlin.”

“Mr. Obama reached the darkest low of his presidency this week in [South Korea](#) when he was caught on an unseen mic plotting with the leader of one of our oldest adversaries to thwart the will of American voters and advance the interests of enemies who want to see the world’s last remaining beacon of freedom finally destroyed.”

“On these issues — but particularly missile defense — this can be solved,” he tells [Russian](#) President [Dmitry Medvedev](#), like in a scene from a Cold War spy movie.”

“But, Mr. Obama explains to his handler, he needs more time, and he needs to get into a position where he is no longer answerable to American voters.”

“This is my last election,” he says. “After my election, I have more flexibility.”

“Speaking in robotic Russian spy-speak, [Mr. Medvedev](#) promises to convey the message to incoming President [Vladimir Putin](#): “I understand. I transmit this information to [Vladimir](#).””

“Not since the tapes of [Richard Nixon](#) has a U.S. president been caught uttering such sinister words in an unguarded moment. And, one could easily argue, Mr. Obama’s dishonest scheming puts [Nixon](#) to shame because it is American voters — not his political enemies — he is selling down the river.”

“It was particularly chilling to hear Obama’s words of betrayal uttered in such a familiar voice that has served to raise the hopes and inspire the dreams of so many of us. It is now official: We fell for a complete and total lie.”

“His cold, calculating message reveals a deep dishonesty many of us still did not dream Mr. Obama was capable of. It is a duplicity in allegiance unthinkable for an elected American president. Literally, he overrides the interests of American voters who will go to the polls with those of Moscow and Tehran, with whom he will deal after his re-election.”

“Understandably, our longest-standing and most steadfast friends in Poland and Israel shuddered with every deceitful word.”

“The question now is, Mr. President, what other secret deals have you made with our foreign enemies? What other tricks do you have up your sleeve that you plan to jump on us after you have been re-elected and we no longer have something you want?”

Could there be a link between FEMA camps and the many alarming reports of foreign [English-speaking Russian troops] in the U.S.?

Obama has called for a Civilian National Security Force, “just as strong and just as powerful as the U.S. Military.” Could the Russian troops people have reported seeing around the U.S. be the new mercenary security force? Foreign troops would be more likely to carry out the elimination of millions of Capitalists [promised by Bill Ayers] than the U.S. military.

Though the multi-agenda chemtrail/geoengineering program has been going on for decades, is it a coincidence that the Start Treaty of December 2010 was signed at roughly the same time that the major “chemtrail” assaults began around the U.S.? Could it be, as the late [Rosalie Bertell](#) believed (5:13), that the chemtrail program may be part of a plan to, at some point, disperse biological and chemical weapons. “Chemtrails” may be, therefore, a “delivery system” for the airborne weapons that will replace the nuclear option. This could very well be possible in light of the signing of the Start Treaty between the United States and Russia, the aim of which was to limit the use of nuclear weapons.

[http://www.youtube.com/watch?v=\\_FM66XdbYcc&feature=related](http://www.youtube.com/watch?v=_FM66XdbYcc&feature=related)

## A HOUSE DIVIDED CANNOT STAND

Since 2008, Barack Obama has practiced the Marxist “divide and conquer” technique to divide the American people by any means necessary in order to achieve the “Communist revolution.” He has divided them by age, class, gender, religion, sexuality, etc., in order to destabilize American society.

People who are fighting with each other don’t talk to each other and cannot unite as one people to defend themselves from the encroaching shackles of the all-powerful government that Barack Obama and the Communists have in store for us.

For the past four years the American people have experienced more disasters, domestic attacks, and social fragmentation than any other four year period in recent history. These events were likely all scripted and orchestrated events to destabilize the U.S., “by any means necessary,” in order to promote the Communist agenda. “Problem, Reaction, Solution” is their mantra and reality is their stage! In order to survive and succeed as a nation we must again become one people and one, undivided, America in spite of the forces that are working to tear the this country apart.

## Part VI: The Inescapable Conclusion

Though all of Barack Obama’s records are still sealed, Obama’s real identity, as Michelle Obama admitted on September 6<sup>th</sup> in her speech at the DNC Convention, has, over the past four years, been revealed to the American people and the world community. “I have seen first hand that being President doesn’t change who you are. No, it reveals who you are.”

Declaration of We The People  
for the Establishment of :::  
The Independent States of America  
(I.S.A.)

We The People can make a dramatically positive difference together. We need a common theme. We can all live in a better and happier world. We need to do something big to mark the real change.

Right now, we are United as 1939 Eastern Germany: one entire country, one currency, one financed puppet commander, and many wars. We are no longer 50 independent states. We are now much like the "unsinkable" Titanic, crashing into icebergs (other cultures) and taking on more and more water (debt). Our country has been sinking; slowly and dramatically. The elite class, who work collectively as one mind, wants another world war for the poor to suffer and die in. Are we just going to take orders, get suited up as with one uniform, to kill more? Is it brave to bomb other people? Isn't there a more peaceful way to be?

Yet the seemingly forgotten 10<sup>th</sup> amendment to the Constitution grants each of our 50 states *independence* from central control. But the out of control central government is now creeping into our own homes. It started long ago with cancer causing fluoride put into our water. Are we each free & independent? Have we now just become penned-up slaves? Are we meek or are we brave? Are we just the home of the slaves?

Together we can remove the old corrupt global establishment that en-debts and controls the United States of America. We can definitely restore sanity, peace, balance, prosperity, & all beneficial human freedoms.

All we have to do to create a solid foundation for real positive change (not chump change) is agree to do one thing together, or at least most of us. That is, **we wish to establish a new government** by and for We The People in the eyes of Creation. We need immediate volunteers. The best chance of this is sharing this idea and printout, back and forth, everywhere, for the Establishment of the "Independent States of America" or I.S.A. **You can be the "T" in I.S.A.;** a slight change of wording, but a big, real and tangible difference. We can establish a benevolent system; perhaps one that provides property to new citizens, when they turn 18.

Together, We can overcome a lying out-of-control parasitic criminally corrupt government. If every soldier joins us, then we don't even need to get our guns out to expunge today's class of corrupted politicians, in order to get them completely out of the way. Not centralized power, but 50 good short-term governors for the 50 independent states, elected by the people of each state. 50 currencies and 50 constitutions, for the protection of minority rights everywhere; as defined by the full voting electorate of each of the 50 states.

USA can easily be made into ISA. No more national war mongering state Offenses, just a strong set of 50 Independent State Defenses. A beneficial system; perhaps one that provides a home for every new family.

"T" agree to the establishment of the Independent States of America, in order to fully replace the corporate controlled, horribly corrupted, war mongering centralized power of Washington DC; we declare 50 states.

Just get two others to sign before framing your statement and pass around many copies; it is the duty of every free and independent person to promote freedom. If this quickly becomes a fad; We will convene for real positive change. There is no website behind this; nor any particular people. It is free to say "Yes!".

This people's petition is perfect for email attachment.

# Universal People's Statement of Freedom

(Maximum Freedom or Fascist Slavery; it's each individual's decision. *Public opinion means everything.*)

*Lovers of Freedom have continuously struggled against the forces of tyrannical governments for multitudes of centuries in the ever deceptive and animated contest between the spirit of enslavement versus the spirit of liberty. When in the course of world events it becomes clear government has become intentionally deceitful, destructive, and murderous - using any form of falsehood, manipulation of media, or theater as cover for an array of crimes - as well as for the next form of government, it is a matter of self-defense for the people of the nation and the world to throw off a corrupt system of government enslavement; and with expediency set then widely announce another special date, apart from July 4th, that will in the future echo worldly celebrations of the cause of liberty. The people should subsequently convene in large numbers on that date and also through the public global computing system of the time, for a convention of the people. The result of the open convention is to have authored, selected, and begun the implementation of a more protective system of shared rights, law, governance, and justice for the current and future generations; of any nation; for the collective happiness of all.*

The laws of a Republic should be written clearly in the form of a constitution. However when once trusted political figures individually or as a whole concert of corruption, or the distribution of wealth or establishment system as a whole, betrays the trust of the citizenry by operating outside of the rules and constraints listed in such a constitution, then the citizens of the broken republic should take the stated recommendations of their previous declaration of independence & constitution, along with methods of self defense, back into their own hands. More than responsibility, it is the most sacred duty of the spirit of liberty and justice for all.

By the year 2008, through a persistent stream of offensive actions, including 9-11-2001, the organization widely known as the "United States Government" has declared itself murderous; while bankrupting the working class of America and instituting fascist rule. It has become evident to multitudes of people of every nation that the current government is allied with a cabal of corrupt international banking, war-mongering, so-called "freemasonic", "illuminati" or "new world order", interests. *Therefore* the "United States Government" has severely turned away from serving its sacred cause of freedom!

Therefore the "United States Government" has failed and is de-facto illegitimate as of the time of the announcement of this declaration at the start of the new people's convention. Revolution is the only possible cure for fascism; and it has already gone beyond the need for a once independent people to have a fresh start! The people's convention date will be decided by the truth movement.

Consequently, All of its previous authority over the citizenry is thereby removed by this declaration; and All freemasonic governments worldwide should be dissolved entirely by the great many world's people. All existing mob-ridden local governments over the individual and the municipalities should be fully dismantled, re-instituted, and rebooted with a fully transparent, efficient, protective, and accountable system model the people's convention democratically selects. All civil rights & laws should be voted for in a true 1-person-1-vote democratic and transparent form - as we always carry a vital responsibility to together choose what has control over our lives and what would ensure us maximum safety & happiness.

This progressive change of government should be enabled and empowered by the entirety of all national and returning armed forces together with all non-terminated local police and the widespread armed citizenry. No more system tyranny!

As we acknowledge this world-wide published declaration in multitudes, we pledge allegiance to each other. We are firm in our disassociation from the previous "United States Government" or any corrupt power. In unison We proclaim to disallow that organization to silence us, to control the mass media or the internet, to suppress us, to spray chemicals upon or conduct any experiments on us, to detain us, to imprison us, to terrorize nor genocide us, to tax us, to bill us, to create dollars or borrow credit, nor counterfeit paper money, to legislate for us nor to adjudicate any proceedings, to direct our armed forces, to make war, or make agreements in our name, nationally or internationally. We are fully aware of our Creation-given rights; **including dissent.**

**Addendum:** Initial action list for the people's convention (recommended date: **July 5th, 2011**; location: **St. Louis, MO**)

- \* Withdrawing our businesses and franchises from federal or state-wide taxation of the "United States Government" and its equally corrupt *mother companies, the United Nations, International Monetary Fund, and World Bank.*
- \* Create a new fully accountable system of money and taxation commissioned by the improved freshly-chartered citizen's government to: *pay off all national debts, redistribute wealth fairly, fund the new government, and reinvigorate the economy.*
- \* Build a beautiful new national capitol city designed by non-freemasonic architects and constructed by the many hands of the nation within a *large, and voted-upon, national forest. A new capitol is essential to mark the change in thinking.*
- \* Close and refurbish Washington DC, converting the former capitol into a city -wide orphanage and school campus for the nation's *underprivileged children; dedicated in honor of patriots who lived bravely before us without shame.*
- \* Establish a new passport identification, numbered as chronologically signed, and imprinted inside a new & improved Bill of Rights - to be made *available for all listed and future citizen signatories of this declaration of freedom from system tyranny statement; that anyone and everyone around the world is invited to recognize and support together forevermore. ( All inmates individually reviewed for possible release. )*
- \* No more will we allow homeless/helpless to be picked up, medically experimented upon, or murdered. Every destitute person should be given an opportunity by the new system to construct a dwelling and share in a community atmosphere.
- \* An end to the concept of "foreclosures". No more will the system be able to profit by conspiring to set market conditions so that people are unable to afford their family homes. Each house now belongs to the family, not to a bank.
- \* Project Fresh Start – **Organic Home Gardening Incentive Program**, using a portion of elite reclaimed wealth, to finally solve world hunger. We should each also be motivated to erect personal greenhouses and maintain private gardens year-round. ~~~

Democracy arises out of the notion that those who are equal in any respect are equal in all respects; because men are equally free, they claim to be absolutely equal. Republics decline into democracies and democracies degenerate into despotisms. - Aristotle

The modern banking system manufactures money out of nothing. The process is perhaps the most astounding piece of sleight of hand that was ever invented. Banking was conceived in inequity and born in sin... Bankers own the earth. Take it away from them but leave them the power to create money, and, with a flick of a pen, they will create enough money to buy it back again... Take this great power away from them, or if you want to continue to be the slaves of bankers and pay the cost of your own slavery, then let bankers continue to create money and control credit. - Sir Joseph Stamp, former president of the Bank of England

Yes, we did produce a near perfect Republic. But will they keep it, or will they, in the enjoyment of plenty, lose the memory of freedom? \$\$\$ We need to replace the self-destructive US dollar, now propped up as the world's reserve base currency. The current elite class have ideas for that already: the Amero, The Globo, the SDR, and the Bancor. However, we need to incarcerate the elite and reclaim the wealth they have stolen from the world through their big currency schemes of the past. A new world reserve currency would need a new name & new publicly transparent oversight and frequent audits by the people of the world. Elected boards should be established, and no board member should at any time profit excessively from their elected duty. Here is an idea for a name of a new global currency, the Dillar. For two reasons, the next currency will have a digital overlay to guard against counterfeiting, yet retaining privacy of use, so a digital dollar could be shortened to the Dillar. Also, since, We, the people of the world, are currently in a pickle, and the Dill is a name of a pickle, for humor's sake, the "Dillar" to replace the "Dollar" works too and would be the easiest transition. A fresh start for example would be this simple rule: everyone who had turned 18 years old, or does on their birthday, will receive D100,000 Dillars to start their new life and career. That would have the effect of distributing the wealth of the world evenly and fairly. They could choose to invest it in themselves via education, or into stocks in a new market, or into their own business, or assets such as their own house, etc. \$\$\$

Albert Pike's extraordinary letter of 1871 – whether authentic or not – it is a powerful prophecy of unfolding events in the Middle East. If the Albert Pike Letter is genuine it was written in 1871. If the Albert Pike Letter is a forgery it was written in 1896. Search for it. Either way, the Albert Pike the letter is a remarkable noteworthy prophetic document, here is an except of it:

“The Third World War must be fomented by taking advantage of the differences caused by the “agentur” of the “Illuminati” between the political Zionists and the leaders of Islamic World. The war must be conducted in such a way that Islam and political Zionism mutually destroy each other. Meanwhile the other nations, once more divided on this issue will be constrained to fight to the point of complete physical, moral, spiritual and economical exhaustion. “

# Tinted glass, chauffeurs and lockdown: Bilderbergers meet

## Protesters boo as members of elite international cabal gather

Published: 18 hours ago

By Michael Thompson

CHANTILLY, Va. – The Bilderbergers, the global leaders of finance and government who convene in secret, were chauffeured through a gauntlet of protesters here today as the annual meetings of the elite group got under way.

Each time a staid sedan with tinted windows carrying an unidentified participant gathered speed for a dash through the gate leading to the Westfields Marriott Convention Center, protesters started chanting and booing.

At one point, a single protester appeared to hurl something at one of the cars, but police, amid shouts of “agent provocateur,” did nothing.

A huge police presence was on hand, and barricades were erected to keep protesters away from the route that conference participants were taking to reach the resort, which was in a virtual lockdown.

A man, who asked to be identified only as John R., said he drove down from Baltimore to protest the Bilderberg conference for the first time.

“What’s become clear is the people we elect are just puppets. The Internet allows us to see the puppet masters,” he said.

He noted the significant absence of most media coverage of the event, which is scheduled to run for several days.

“If you have 130 of the world’s biggest celebrities, all the media in the world would cover, and there would be tens of thousands of people who would try to see in,” he said.

Members of the crowd ranged from anarchists to advocates of the U.S. Constitution. Some carried signs seeking the arrest of the Bilderbergers. American flags and “Don’t Tread on Me” banners were in abundance.

Among other slogans: “Oligarchs the spawn of Satan,” “New World Order,” “Still Time to Repent” and “RonPaul2012.”

Another member of the protest crowd was Adam Kokesh, who used to have a show on Russia Today.

“What we’re seeing here is part of the evolution of the superclass,” he said.

He said there are more people talking about the group, more information available and more visibility on the Internet than ever before.

But he said the changes from the Bilderbergers’ early meetings, which were completely secret, still have not opened the discussions about the management of the planet to outsiders.

Just a day earlier, a Madrid-based investigative journalist who has spent years researching the Bilderberg group warned there’s no “conspiracy theory” behind the group: “It’s a conspiracy reality.”

*See what’s been happening:*

Daniel Estulin, author of [“The True Story of the Bilderberg Group,”](#) contends people should care because the idea behind each and every Bilderberg meeting “is to create what they themselves call the aristocracy of purpose between European and North American elites on the best way to manage the planet.”

“In other words,” Estulin told WND in an email exchange in which he answered questions, “the creation of a global network of giant cartels, more powerful than any nation on Earth, destined to control the necessities of life of the rest of humanity.”

This year the meetings in Chantilly run through June 4. Most of the group’s meetings are in Europe.

Four years ago there were rumors that Barack Obama had been picked as the Democratic presidential nominee. Two days after the event, Hillary Clinton bowed out.

Observers also point out George H.W. Bush attended in 1985. He became president in 1988. Bill Clinton attended in 1991. He became president a year later. Tony Blair attended in 1993. He became prime minister of England in 1997. Romano Prodi attended in 1999. Later that year he became president of the European Union Commission. In 2004, Sen. John Edwards spoke to the group. He was later anointed the Democratic vice presidential nominee by presidential candidate John Kerry.

Estulin said some people go off the deep end and try to see more than the Bilderberg Group is. That’s not needed, he said, because what’s already there “is and of itself is a pretty significant factor.”

He described the group as “a vehicle through which private financier oligarchical interests were able to impose their policies on what is nominally sovereign governments.”

Estulin will not be in attendance this year, because he is not permitted to travel into the U.S. But he is sending a representative in his place. He believes the meetings are among the most important events to take place in the world every year.

“Bilderberg is not some group of demonic world leaders sitting around a table staring into a crystal ball,” Estulin told WND. “In the U.S., a lot of people mistakenly believe there are secret societies, a very small group controlling the dynamics of the entire world, instead of understanding Bilderberg as a processes-, ideas- and themes-shaping organization.

“Bilderberg is not a bogeyman. But it is a powerful organization. It’s a medium for bringing together financial institutions – the largest, predatory institutions in the world – which acts in ways that are now the worst enemy of society.”

He said at the center of the campaign is the idea that the resources of the world belong not to the people, but to the minority who have power and influence.

“All these people want an empire. They don’t want the people of the world to develop, to prosper, to grow the population. They want us to work for them, where our children and our children’s children work for an elite group, the oligarchy. If people participate in the ideas shaping the world, if a nation is allowed to grow its own food, develop its own natural resources, be truly self-governing, it would end the Bilderbergers’ oligarchy.”

The meetings are private, invitation-only for about 150 individuals from the worlds of politics, business, finance, energy, media and nobility. No resolutions are voted on, no minutes are taken and no statements are issued.

Estulin has cited David Rockefeller’s own admission. Rockefeller, a Bilderberg member, wrote: “Some even believe we are part of a secret cabal working against the best interests of the United States, characterizing my family and me as ‘internationalists’ and of conspiring with others around the world to build a more integrated global political and economic structure – one world, if you will. If that’s the charge, I stand guilty, and I am proud of it.”

In 2009, Bilderberg Chairman Etienne Davignon boasted that the Euro single currency was a recommendation of the Bilderberg group.

## What will U.S. warlords lead us into next?

By [Andrew Alexander](#)

**PUBLISHED:** 22:30 GMT, 29 May 2012 | **UPDATED:** 22:36 GMT, 29 May 2012

That powerful phrase ‘lions led by donkeys’ — the German view of British troops in World War I —

keeps springing to mind when studying Afghanistan.

We shall leave by the end of 2014, we are assured, having achieved nothing beyond helping to recruit countless numbers to the ranks of the Taliban. We shall leave the place with its own modernised armed forces, we are also assured — so much better fitted to fight a looming civil war.

The bigger question is why do we get involved in doomed American military expeditions — and get tarred with the same brush as part of the Western war on Islam, making Britain at large a target for terrorists? Iraq and Afghanistan both tell the same tale.

Conflict: We are told that we will leave Afghanistan by the end of 2014

Vietnam was a near thing in terms of backing the Americans.

Harold Wilson was inclined to make a helpful gesture in that doomed war, and was only stopped by his own backbenchers. The prospect of further involvement in American lost causes has been clearly stated by our chief donkey, Sir David Richards, head of the Defence Staff.

He argues that the defence budget should be organised so we can back up American policy — whatever that might be. In other words, we must continue 50 years of crawling along abjectly in the wake of Washington.

Leaving Afghanistan obviously does not appeal to Richards, since he predicted last year that Britain would have a presence in the country for the ‘next 30/40 years’. The idea that Afghanistan will happily settle for being treated like a colony or client state betrays sheer incomprehension.

Sir David Richards has argued that our defence budget should be organised so we can assist American policy

Hope that the Americans, badly bruised by the Middle East and before that by Vietnam, have learnt any lessons are hopelessly optimistic. Richards’ counterpart in Washington, General Martin Dempsey, has explained in an article in Foreign Affairs Magazine that the U.S. will now look to extend its role into the Far East.

At this rate the future looks no brighter than the past. Relations with Pakistan, as U.S. drones continue their deadly work in the country’s North-West border region, are deteriorating dangerously.

As President Obama launches his presidential campaign, we have to remember his lamentable record.

# Did Obama Kill His Grandmother?

Saturday, May 26, 2012 2:22

Did Obama murder his grandmother, Toot, who held a deep dark secret that would have crushed his candidacy--the fact that both she and his grandfather were Communists that had been investigated by the House UnAmerican Committee. This video examines the many questions surrounding her death, Obama's motive, his curious behavior, and the method he used to kill her. Obama has many questions to answer, including why she was not brought back to the hospital after it was learned she was suffering from a "relapse" of cancer, why she was cremated instead of being buried next to her husband, and why Obama left her apartment and snuck around the back of her building in an attempt to hide the evidence of his poisoning by mercury. It is clear that Toot suffered classic symptoms of mercury poisoning shortly after Obama's first visit in August, 2008, and died only 9 days after his second visit in November, 2008. Since mercury poisoning is cumulative, Obama's second dosing of his grandmother surely killed her. He could not allow his grandmother, an active Communist in the 1950s, to remain alive, to give interviews and potentially derail his campaign.

Such a coincidence that Obama's grandmother die on the eve of election day, I don't think so, watch this video and decides yourself.

A Texas man and skeptic of Barack Obama's eligibility to serve as president has posted a video on YouTube revealing two investigators, reportedly from the Secret Service, questioning him at his home.

Rudy Davis, known also as "LoneStar1776" on YouTube.com, posted video of the inquiry the day after he had uploaded another video in which he suggested Obama, after being convicted of treason for usurping the highest office the land, be executed for his crime.

When two men in dark suits showed up at his door the next day, Davis told them, "I think I know why you guys are here."

Video of the exchange shows Davis explaining his belief that Obama is ineligible to be president and clarifying that he only wished the judicial system to execute Obama "once he has been convicted in a court of law."

"OK," the first investigator replied, "but you don't mean to assassinate him?"

"No, sir," Davis replied. "I don't want to hurt anybody. I just want truth and justice in America."

[Show members of Congress how many others demand "truth and justice" in America in the name of constitutional integrity.](#)

The investigators then began a series of "pertinent" questions they explained were required because, "We do have a job to do," including the following:

- "Have you ever been in the military?"
- "Any handgun training, martial arts?"
- "Do you belong to any groups or associations?"
- "Have you ever traveled out to see the president?"
- "Do you have any criminal history?"
- "Do you own any weapons? All your weapons are registered?"
- "Have you ever been hospitalized for mental [illness]? Family history of mental illness?"
- "A possible search of your home – are you OK with that?"
- "In the past year, how many places have you traveled to?"
- "Do you have any siblings? Would you mind telling me who they are? What about parents? Can we talk to them?"
- "Where do you work?"

Multiple times the investigator also asked, "Do you understand that threatening to harm someone is a crime as well?"

"I understand that," Davis said, "but I have not threatened to harm [anyone]."

In Davis' previous video, which presumably prompted the investigation, Davis had cited the example of England's Oliver Cromwell beheading King Charles I as an example of what should be done to

Obama.

“Once [Obama] is convicted in a court of law,” Davis said, “we don’t need to send him off to prison, we don’t need to send him out of the country, we need to behead him publicly.”

Why publicly?

“To show everybody that’s what happens to you when you come in to America and you lie and you forge and you fraud and you take over commander in chief when you know you’re not eligible,” Davis explained. “America doesn’t put up with that.”

The first video, in which Davis advocated beheading, can be seen below:

At one point, one of the investigators said, “We’d prefer if you didn’t film us,” but Davis asserted it was his property and his right to do so.

Still, in yet a third, follow-up video, Davis discounted the idea that the agents were attempting to be “intimidating.”

“They were very nice and cordial, and they were doing their job,” Davis said.

Davis also concluded, “Promoting the truth is a patriotic thing, even if it brings the Secret Service to your door.”

### Exclusive: Larry Klayman asserts Benedict Arnold is no longer American traitor No. 1

“There he goes again!” were the famous words of President Ronald Reagan when referring to the naivety, dereliction and incompetency of President Jimmy Carter during a presidential debate in 1980. Ironically, these words also ring true with regard to our current president, Barack Hussein Obama, who, like Carter, has bent over to the radical Islamic regime in Iran. This regime – which already has enough enriched uranium to produce at least five atomic bombs and which has repeatedly threatened not just Israel’s destruction, but our own with these nuclear weapons – is one of the biggest political thorns in our traitorous “mullah in chief’s” side to affect his re-election. Just as the Iranian hostage crisis sunk Carter’s re-election prospects in 1980, so, too, Iran could be Obama’s undoing, as least so he thinks.

And why do Obama and his leftist, socialist, anti-Semitic and anti-Christian minions believe this? Because they know full well that people of genuine Judeo-Christian faith and other rational voters, which include a significant portion of independents who will decide the 2012 presidential and congressional elections, are outraged at Obama’s refusal and failure to take forceful action to remove the Islamic regime in Iran and eliminate the threat of their planned nuclear war against the United States, Israel and the West. Obama’s failure to act on this real threat and his support of other radical Muslim interests, such as the ascension of the granddaddy of terrorist groups the Muslim Brotherhood in Egypt and throughout the Middle East, is perceived by many to be the result of Obama’s own conflicted Muslim roots – his Kenyan father having been a Muslim who had to be deported from the United States. Obama’s actions and words over the last three and a half years have supported this view, and now even many leftist Hollywood Jews, who previously voted for him, believe he is a not too latent anti-Semite bent not just on harming the interests of Israel but also American Jews and evangelical Christians in general. This certainly is borne out as well by Obama’s mentors and friends, which include the Jew-hating anti-Semitic likes of so-called Reverends Jeremiah Wright and Louis Farrakhan, not to mention late Harvard Law professor Derrick Bell, to name just a few.

So it came as no surprise when I opened my copy of the New York Times last Friday to find yet a new front-page article leaking previously classified information about our intelligence communities’ efforts to slow down Iran’s march to nuclear weaponry. The column, written by leftist and pro-Obama reporter David Sanger, and titled [“Obama Order Sped Up Wave of Cyberattacks Against Iran,”](#) is an even more egregious dump of classified information about the National Security Agency’s (NSA) and Central Intelligence Agency’s (CIA) methods, sources and techniques than in [previously discussed intelligence breaches](#) involving Iran’s nuclear program and our war plans if Israel should have to wage a unilateral attack on the Muslim nation.

This leak is perhaps the worst in American history because it discloses, admittedly from anonymous sources inside the Obama administration, the specifics of our cyberwarfare against Iran’s nuclear facilities. By disclosing this classified information in excruciating detail, Obama and his traitorous comrades not only compromise our cyberwarfare capabilities, but also broadcast to Iran and the rest of the hostile world that the United States was the first use these weapons – potentially triggering retaliation against American and Israeli interests. Israel is revealed to have participated in the claimed cyber-attacks, and indeed the Obama administration conveniently blames the Jewish state for having inadvertently released the cyber-virus Stuxnet into the public domain for other nations and terrorist groups to use against us – constituting yet another sleazy “attack” by Obama on our only ally in the Middle East.

So there he “goes again” to further his and his Democratic Party’s political prospects in the upcoming 2012 elections and to create the false impression that he is strong on national security issues and Iran. This traitorous “leader” compromises our national security and the security of Israel and the Western world in the process. Nothing could be as low and criminal as this, and for this Obama must surely be held to account. Benedict Arnold is no longer first on the top-10 list of traitors in American history!

Yesterday, I filed – as is the case with the two prior major disclosures of classified information concerning Iran – Freedom of Information Act requests to get to the bottom of this traitorous activity by Obama and his administration. My first two FOIAs are already the subject of ongoing court litigation, the Obama administration not surprisingly having failed to respond to them – all in its belief that the “mullah in chief” and his accomplices at the NSA and CIA are above the law. But the matter will not end there, as I fully intend to use the citizens’ grand jury process I have written about before in this column to obtain justice.

As importantly, save for former United Nation Ambassador John Bolton, where do Republicans stand in calling out Obama for this treasonous act? Not a peep from Sen. John McCain, Sen. Lindsey Graham

and other establishment national security figures of the Grand Old Party – not to mention their 2012 presidential candidate, Mitt Romney.

This latest national security breach underscores the dilemma we Americans now see clearer than ever. Our government is not a government by and for “We the People,” but a government only for our so-called representatives in the nation’s capital. And, notwithstanding television appearances and other “fun and games” that merely mouth their concern for us, the Washington, D.C., establishment protects itself. They are all part of the same exclusive club. As Groucho Marx once said, “I would not want to be part of a club that would have me as a member.” I agree, and that is why when I ran in Florida for a U.S. Senate seat in 2004, I promised to take the concept of my former public-interest group inside of the government; that is, I would have set up what in effect was a law firm to sue from within.

While I was not successful in that election, for my own part I still would like to take a club to this establishment club. But, I no longer see government as a vehicle to accomplish this, as matters have gotten far worse and beyond repair since 2004.

We the People must ourselves rise up and do all we legally can to end and obtain justice for the traitorous acts of President Barack Hussein Obama and his enablers – acts that have so severely and irreparably harmed our nation!

Lord Christopher Monckton at Tombstone's 'Wyatt Earp Days'

On the dusty streets of Tombstone, Ariz., on a weekend the city devotes to legendary western lawman Wyatt Earp, a former policy adviser to Margaret Thatcher told Americans it's time to put their faith in another man who wears the star, Sheriff Joe Arpaio.

The U.K.'s Lord Christopher Monckton, known internationally for his climate-change skepticism, is calling on those still skeptical about Barack Obama's eligibility to be president to put their money where their mouth is and back Arpaio's ongoing Cold Case Posse investigation into the current occupant of the Oval Office.

“My particular purpose in coming to Tombstone today is to ask you ... to [contribute as generously as you can](#) to the Maricopa County Sheriff's Office Cold Case Posse,” Monckton told Tom Ballantyne, author of [“Oh Really, O'Reilly!”](#) and cameraman Gabe Zolna. “They need help to pay for further investigations. They don't want to charge this one to taxpayers. The Cold Case Posse is funded entirely by people like you who would like to reach the truth on this question and are willing to help the sheriff.”

Only three months ago, Lord Monckton had never really looked into the issue of Obama's eligibility and had never even heard of Arizona's Maricopa County Sheriff Joe Arpaio.

But then he watched [Arpaio's press conference](#) announcing the Cold Case Posse's investigation [had found probable cause to believe the White House presented forged documents as proof of Obama's birthplace and citizenship](#).

And then he met Arpaio in person.

Now Monckton believes the Arizona sheriff may be the best shot Americans have of rounding up the truth about Obama.

[Sign the petition now to show members of Congress how many Americans demand constitutional integrity.](#)

Sheriff Joe Arpaio

“This is not a man to be dismissed lightly,” Monckton said of Arpaio, “and when I met him, I found him to be very thoughtful, very cautious, very meticulous, very careful and above all, very non-political.”

Monckton explained, “Many people of a certain political faction will try to make out that this is a purely political investigation or a [racist] investigation, and there is nobody less [racist] than this sheriff that could possibly be found.”

“The sheriff clearly has done a good job,” he continued. “There were clearly material things wrong with the document that appeared on the White House website.”

Monckton told Ballantyne he even went so far as to have an expert forge a phony “Christopher W. Monckton” Hawaiian birth certificate to match the “Barack Obama” document the White House released on April 27 last year – just to see that it could be done.

Ballantyne summarized for the British former newspaper editor: “Once you viewed the evidence, once you met sheriff Arpaio, met Mike Zullo, who is Sheriff Arpaio’s lead investigator, you were fairly convinced or at least satisfied that there was something here that was worth, in fact, investigating.”

“That’s right,” Monckton said.

Ballantyne and Zolna’s interview of Monckton can be seen below:

Monckton’s appeal to back Arpaio’s continuing investigation can also be seen below.

Monckton noted that private contributions to Arpaio’s investigation can be made through the website for the Maricopa County Sheriff’s Office Cold Case Posse, [www.mcsoccp.org](http://www.mcsoccp.org).

## **Barack Obama Is The First United Nations President**

**Saman Mohammadi**

Prisonplanet.com

May 19, 2012

“In our globalist existence, the authority for the US to initiate hostilities against another country comes from the UN, declared Obama and Panetta. If the executive branch can persuade or bribe the UN to give a war OK, Congress is no longer relevant.” – Paul Craig Roberts, [“Are Americans Catching On, Waking Up, Unplugging?”](#)

President Barack Obama has continued the secret policy of destroying the sovereignty and wealth of the United States to the benefit of the private transnational interests who control the United Nations, the CIA, Wall Street, and the global banking system. Numerous American presidents, both Republican and Democrat, are on board with this treasonous political agenda.

Obama is not an “American” president; he is a United Nations president.

The criminal international bankers and secret societies behind the creation of the United Nations, and the Barack Obama icon, use fraud, usury, debt, terror, deception, propaganda, false flags, and war to get what they want out of countries. They treat all countries like third world colonies, including America. The people are plundered and destroyed, while the [criminal elite are protected](#).

The election of Obama represents a massive constitutional crisis in America because he was [born in Kenya](#), and is thus illegally holding the office of the presidency. He is the presidential equivalent of an illegal alien. It is hard to believe this is true because it is pretty wild. But no intellectually honest person can ignore the evidence and defend Obama’s claim that he was born in America. It is illogical to deny the facts and stick to illusions.

The significance of Obama’s true birthplace is monumental. The entire American experiment is being put into question. The U.S. Constitution has been thrown out. America is fully controlled by genocidal

war criminals who teach young and impressionable soldiers that [wiping out Islam and using nukes on Middle Eastern cities](#) is a military solution to end the mythic [“clash of civilizations,”](#) between the West and Islam.

Obama, far from being a secret Muslim, is actually a [secret CIA agent](#) who [likes the idea of attacking Iran](#) as much as any Neon, Israeli, and fascist. Obama is not a peacemaker or a saint. Like the [mad king of Israel](#), Obama is a mad psychopath who lies for a living. He worships the god of war because only war can unleash the forces of violent change and political transformation.

Obama and his masters are secretly working to cause the destruction of America, along with Israel, Iran, and other nations in the Middle East. Obama does not desire peace with Iran, but [an epic and total war](#) that will culminate in the establishment of a world authoritarian state with U.S. military power to back it up.

In September 2009, Obama became, “the first-ever U.S. president to chair the United Nations’ 15-member Security Council,” ([Source: NBC Chicago](#)). That was only the beginning. Obama is probably being primed to be the first United Nations president, since he is obviously not a legitimate and legal American president.

The fraudulent elections of Bush and Obama signaled the destruction of America. Bush’s elections were fraudulent because they were stolen, and Obama’s election was fraudulent because he was born in Kenya, not America.

Both the American presidency and the Congress have been destroyed. These institutions are dead. The plan of the globalist fascists is to completely destroy America as an independent political unit with its own national constitution and destiny.

The 1913 Federal Reserve Act destroyed America’s financial independence, so the subversion and destruction of America from within has been a century-long effort by the Anglo-American oligarchy. Secrecy, totalitarian deception, and terrorism are their three main weapons. The treasonous American media has been their biggest ally in their silent war on the American Constitution and the American people.

[Infowars.com points out](#) that Obama was a British subject at the time of his birth. I guess this is the British Empire’s way of getting back at the rebellious American people for defeating the British army in the 18th century and creating a free and independent government.

But Obama is more than a joke. Obama is like a political virus who is attacking the U.S. national nervous system and destabilizing the natural defenses of the body politic. Obama [kills silently](#), in the night, when everybody is asleep and dreaming.

Since he came into office, Obama has done nothing to better the lives of the American people and improve the American nation. Even if he wanted to help the American people and make America better, he would be stopped by his masters because, as Alex Jones [says in this video](#), he is compromised.

Obama is blackmailable from head to toe. The enemies of America, both foreign (Israel) and domestic (Wall Street bankers, criminal multinational corporations, political opponents), love the fact that Obama is in the White House.

The mythic fairytale about the Osama Bin Laden killing was intended to make the public believe that Obama is in charge and he is a great war leader. But Obama takes orders, he doesn’t give them. There would be no difference if a slave or a robot was in the White House instead of Obama. Obama is worse than a robot and a slave. He is a psychopathic liar and killer who loves death and destruction.

# Rockefellers and Rothschilds unite

By Daniel Schäfer in London

Two of the best-known business dynasties in Europe and the US will come together after [Lord Jacob Rothschild's](#) listed investment trust and Rockefeller Financial Services agreed to form a strategic partnership.

[RIT Capital Partners](#) is to buy a 37 per cent stake in the Rockefeller's wealth advisory and asset management group for an undisclosed sum, giving Lord Rothschild's London-listed trust a much sought-after foothold in the US.

The transatlantic union brings together David Rockefeller, 96, and Lord Rothschild, 76 – two family patriarchs whose personal relationship spans five decades.

The Rockefeller group traces its roots back to 1882 when John D. Rockefeller established one of the world's first family offices dedicated to investing his wealth. It has since developed into a provider of wealth and asset management services to other families, foundations and institutions. It is majority-owned by the 19th century oil magnate's family and has \$34bn of assets under administration.

The partnership with RIT will focus on setting up investment funds, eyeing joint acquisitions of wealth and asset managers and granting each other non-executive directorships.

RIT Capital Partners is minority-owned by Lord Rothschild and its net assets of £1.9bn are spread across global investments from public equities to government bonds and private equity.

The deal stemmed from a meeting two years ago when Mr Rockefeller introduced Lord Rothschild to the US group's chief executive, Reuben Jeffery.

In a follow-up meeting one year later at Lord Rothschild's office at Spencer House in London, the financier won Mr Jeffery's blessing for opening talks to buy a stake in the Rockefeller group.

He then launched long negotiations with [Société Générale](#) Private Banking, which has owned the shareholding since 2008.

The French bank's wealth management arm has had several suitors for the minority stake – estimated to be worth less than £100m – but Lord Rothschild was the only one supported by the Rockefellers.

Lord Rothschild concentrated on RIT Capital Partners three decades ago after he fell out with his cousin Sir Evelyn de Rothschild and disposed of his stake in NM Rothschild, the family's UK branch.

Sir Evelyn at the time ran NM Rothschild, which rose to fame in 1815 when Nathan Meyer Rothschild made a fortune buying British government bonds in anticipation of Napoleon's defeat at Waterloo.

Baron David de Rothschild, chairman of the Rothschild Group, is currently bringing the UK-based investment bank [under a joint roof](#) with the French family operations.

At the same time [Lord Rothschild launched an investment partnership](#) in March with the Franco-Swiss private bank Edmond de Rothschild Group, which is yet another separate branch of the sprawling banking dynasty.

Sheriff Joe Arpaio says the decision by Arizona Secretary of State Ken Bennett to place Barack Obama's name on the state's presidential ballot won't put an end to the investigation by his Cold Case posse team, which now has its lead detective on the ground in Honolulu.

"No, I'm not going to call it quits," Arpaio told WND.

"I'm not calling my Cold Case Posse investigators home from Hawaii, and I don't plan to end my investigation prematurely."

After more than eight weeks of pressing Hawaii's Department of Health, Bennett said last night that he finally received information that proves Obama's American birth and satisfies Arizona's requirements for having the president on the ballot, reported [azcentral.com](#)

[Sign the petition now to show members of Congress how many Americans demand constitutional integrity.](#)

The reported [verification from Hawaii](#) came only after Bennett, a Republican who has aspirations to run for governor, closely tailored his request to conform to the demands of Hawaii's attorney general.

Arpaio said that as the highest elected law enforcement officer in Maricopa County, "I am determined to remain above politics in the effort of my Cold Case Posse to discover the truth."

As [WND reported](#), Arpaio launched his investigation last September after 250 Maricopa County residents belonging to the Surprise, Ariz., Tea Party presented him with a petition claiming their voting rights would be compromised if Obama used a forged birth certificate to win a place on the 2012 Arizona presidential ballot.

"As with any investigation undertaken by my office, it is my responsibility to the residents of Maricopa County to investigate until I discover the truth, regardless how intensely political pressure is applied to me by the White House and now by the Arizona secretary of state," Arpaio told WND late last night.

[WND has also reported](#) U.S. Attorney General Eric Holder has decided to take the Maricopa County Sheriff's Office to federal District Court in pursuit of the Justice Department claims that Arpaio has implemented policies that systematically deprive Hispanics of federal civil rights.

[Arpaio spelled out to WND last month his response](#) to the federal lawsuit: "Clean your own house, Eric Holder, before you come trying to clean mine."

Bennett's announcement yesterday that a back-and-forth exchange of emails with Hawaii state officials had concluded came as Maricopa County Cold Case Posse investigators were in Hawaii probing the authenticity of the document released by the White House April 27, 2011, as Obama's long-form birth certificate.

Dismissing the likelihood Bennett's move will end the birth certificate controversy, Mike Zullo, the lead investigator for Arpaio's Cold Case Posse, told WND his team will remain in Hawaii until their investigations are completed.

Zullo said the possibility remained that Arpaio's law enforcement investigation will conclude Obama's birth certificate and Selective Service registration form are fraudulent – a result that would pit the Maricopa County Sheriff's Office against the Arizona state government. The posse announced March 1 probable cause exists that the documents were forged.

"In my meetings with Mr. Bennett on behalf of Sheriff Arpaio, he was uninterested in reviewing the evidence the Cold Case Posse has accumulated," Zullo said, characterizing Bennett's late-night announcement as a "desperate rush to judgment" after weeks of negotiation to get Hawaii to provide the assurances he required.

"Evidently Hawaii has had a change of heart," Zullo said. "I'm now happy to return once again to the Hawaii Department in Health to repeat our request that Hawaii release whatever birth records may yet remain concealed in the Hawaii Department of Health vaults to public examination by a court-certified group of forensic examiners."

Bennett made his announcement after the close of business in Phoenix yesterday, apparently before he had an opportunity to read the emails sent to his office by Joshua Wisch, special assistant to Hawaii Attorney General David Louie.

Surprise Tea Party members responded angrily to Bennett's announcement, charging he had caved to political pressure applied by prominent Republican Party members, including Arizona's Republican Sen. John McCain.

As [WND reported](#), Bennett had responded in writing to inquiries from Arizona Tea Party officials with the promise that he would remove Obama from the Arizona presidential ballot unless Hawaii provided verification that Obama's birth certificate is valid.

Many times during the weeks-long controversy, Bennett expressed surprise that the certification he required from the state of Hawaii was not immediately forthcoming.

As the confrontation between the Arizona secretary of state and the Hawaii attorney general's office unfolded, the Obama birth controversy took an unexpected turn when Breitbart News disclosed Obama's literary agency published in 1991 on Obama's behalf a biography claiming the future president was born in Kenya.

[WND has reported](#) that the agency, Dystel & Goderich, continued publishing until 2007 biographical summaries declaring Obama was Kenyan-born, many years after the publishing in 1995 of his autobiography, "Dreams from My Father."

[Breitbart News reported today](#) that Dystel & Goderich requires authors represented by the agency to provide the biographical information upon which the agency's publications are based.

### Letter on Obama eligibility 'doesn't verify anything of significance'

"Hawaii duped Arizona" in its response to Arizona Secretary of State Ken Bennett's request to verify

Barack Obama's eligibility for the 2012 election, charges the lead investigator of Maricopa County Sheriff Joe Arpaio's Cold Case Posse.

"We have developed incontrovertible proof that the verification provided by the Hawaii Department of Health to Arizona's secretary of state on May 22 really doesn't verify anything of significance," said Mike Zullo, who is in Hawaii to follow up on his team's initial findings concerning Obama's birth record.

As [WND reported](#), after more than eight weeks of pressing Hawaii's Department of Health, Bennett said Tuesday that he finally received information that proves Obama's American birth and satisfies Arizona's requirements for placing the president on the ballot.

Zullo – who met with Hawaii Department of Health officials in Honolulu the day before the letter to Bennett was issued – said that after he returns to Phoenix to brief Arpaio, the sheriff will schedule a press conference "at the earliest possible date in June."

[Sign the petition now to show members of Congress how many Americans demand constitutional integrity.](#)

Zullo explained his team will need time to prepare the extensive new information developed since Arpaio's March 1 press conference. The sheriff announced at that time that his posse had found probable cause that the Obama birth record released by the White House one year ago and Obama's Selective Service registration form are forgeries.

Zullo declined to detail the new information but pointed to what he considered "obvious defects" in the May 22 letter the Hawaii Department of Health sent to Bennett:

- Tuesday's letter, he said, fails to identify or list President Obama's date of birth, even though the letter's apparent purpose was for the Hawaii Department of Health to verify Obama was born in Hawaii.
- To the right of the registrar's stamp on the letter appear the initials "gk," suggesting that Hawaii Department of Health Registrar Alvin Onaka did not apply the registrar's stamp himself.

"I suspect these defects are not accidental," Zullo said. "My suspicion is that top officials in the Hawaii DOH and the Hawaii Attorney General's office created a defective document that could be disclaimed rather than take the time to produce a thoroughly proofread and officially certified legally binding state document."

[Does anyone really \*\*know\*\* where Obama is from? Find out the startling truth from New York Times best-selling author Jerome Corsi.](#)

Zullo told WND that Onaka refused to meet with him and his investigators when they appeared this week at the downtown Honolulu headquarters of the Hawaii Department of Health.

"Either Onaka refused to initial his registrar's stamp or the Hawaii DOH is not sufficiently competent to produce a legally valid document," Zullo concluded. "But either way, the cover-up appears alive and well in Hawaii."

Zullo insisted defects in the Hawaii letter were not limited to what might be explained as clerical errors or Hawaii DOH operating policies.

"The Hawaii DOH letter is nothing more than a highly lawyered, cleverly crafted document that we can now prove does not verify what it appears to verify," he said. "At Sheriff Arpaio's next press conference we will be able to prove that the Hawaii DOH has actually refused to verify either that Obama was born in Hawaii or that the long-form birth-certificate released by the White House on April

27, 2011, is an authentic document."

As [WND reported](#), Arpaio launched his investigation last September after 250 Maricopa County residents belonging to the Surprise, Ariz., Tea Party presented him with a petition claiming their voting rights would be compromised if Obama used a forged birth certificate to win a place on the 2012 Arizona presidential ballot.

### Political pressure

Zullo affirmed to WND that he believes Hawaii has outsmarted Bennett.

"To begin with, it was no surprise to me that Bennett buckled to political pressure," Zullo said.

Arizona Secretary of State Ken Bennett (Even looks like an idiot, no?)

"I knew when I met with Mr. Bennett last week in Phoenix, before we left for Hawaii, that he was desperately trying to get out of the political corner he had painted himself into."

Zullo told WND that in an approximately hour-long meeting May 15 in Bennett's Phoenix government office, the secretary of state said he fully expected there would be no problem getting the Hawaii government to verify that Obama was born in Hawaii.

"Bennett obviously believed Obama was telling the truth," Zullo said. "He was shocked when Hawaii didn't immediately issue the verification. As it dragged on into weeks, Bennett became desperate to do whatever Hawaii asked to get what amounts to even this meaningless letter."

Zullo explained to WND that immediately following his meeting with Bennett, he returned to MCSO headquarters and briefed Arpaio.

"I told the sheriff that I suspected Bennett would reach over backwards in a desperate attempt to get some form of document from the Hawaii Health Department in written form, so he could managed to come out of the political problem he had created for himself," Zullo said.

"In my meeting with Sheriff Arpaio, I disclosed my belief that Secretary of State Bennett would confer with Hawaii's attorney general to draft a second, probably watered-down letter of request from Hawaii," he continued.

Zullo said it was "no shock to me or Sheriff Arpaio when the verification was released, and we believe the timing is suspect in that the release of the verification came one day after MCSO met with Hawaii Department of Health officials in Honolulu."

In his meeting with Zullo, Bennett admitted that he never would have made the promise in writing to members of the Surprise Tea Party if he thought there might be a problem getting the verification.

## Poll: U.S. faces constitutional crisis on Obama

### Americans finally getting message about possibly ineligible president

*Editor's note: This is another in a series of "WND/WENZEL POLLS" conducted exclusively for WND by the public-opinion research and media consulting company [Wenzel Strategies](#).*

Questions have been raised about Barack Obama's eligibility to be president since before his election, but with a mainstream media leading cheers for him many Americans haven't realized the seriousness of the situation - the possibility that the sitting president is ineligible and constitutionally devoid of authority to sign bills, set foreign policy or even host lavish parties for friends in the White House.

That's changing, and a large part of the reason is that Sheriff Joe Arpaio of Maricopa County, Ariz., conducted a six-month Cold Case Posse investigation that has concluded there is probable cause that there was forgery in the creation of the image of Obama's "Certificate of Live Birth" and fraud in its presentation to the nation as a genuine document.

The evidence that the word has been reaching Americans comes in the latest WND/Wenzel Poll conducted exclusively for WND by the public-opinion research and media consulting company [Wenzel Strategies](#).

It indicates that almost 40 percent of registered voters now think the nation is facing a constitutional crisis because of a lack of documentation regarding Obama's eligibility.

**NOTE: In case you missed the news conference of Sheriff Joe Arpaio's "Cold Case Posse," [you can view it here](#).**

The scientific telephone survey, conducted March 10-13, has a margin of error of 3.72 percentage points.

Nearly 26 percent of respondents say they strongly agree with the statement that the country now is facing a constitutional crisis on the issue of Obama's eligibility. Another 13.7 percent say they somewhat agree.

Critics long have raised the question about the impact on the nation should Obama be

proven to be ineligible. There would be many issues to consider: Are the laws he's signed still laws? What about the money he's spent? And how about the commitments he's made to allies overseas? What about significant social changes he's brought about, such as opening the U.S. military to open homosexuality?

Could any of those be reversed. And who would pay for that?

Or does anybody care?

The preliminary findings of Arpaio's investigation by experienced law enforcement investigators and attorneys, released March 1, have served to wake people up on the issue, Wenzel said, despite mainstream media efforts to keep the information under wraps.

The poll showed 11 percent of voters are very familiar with the conclusions in Arpaio's report, and another 19 percent are somewhat familiar. Still, nearly 70 percent were not very or not at all familiar.

The poll also showed that because of Arpaio's report, 40 percent now concede they are more likely to believe Obama is ineligible to hold the office of president. Another 20 percent said they weren't able to express an opinion on that question.

Also, more than 46 percent said they agree that now there needs to be more extensive investigative work done into Obama's eligibility to determine the facts, while 39 percent said they disagreed.

And then there was the key question about the nation facing a constitutional crisis.

At issue would be consequences such as the fallout of court decisions made by judges appointed by Obama. There are two new U.S. Supreme Court judges, Elena Kagan and Sonia Sotomayor, who owe their lifelong appointments to Obama.

But if Obama was ineligible from the beginning, what about those appointments, and what about the decisions in which those judges have participated?

Respondents also are divided over the little media coverage that did take place. About 30 percent say the coverage of the Arpaio report was favorable to Obama and another 25 percent say it opposed him. Significantly, 30 percent are "not sure."

Wenzel suggested that the issue needs to be in the news, so people know about it, can do their research and make up their minds.

"This issue is very much like the government takeover of the national health care system engineered in the first two years of the Obama term in that it produces a visceral and negative reaction from many voters, but it requires constant discussion to keep it in the minds of voters. This is not a subject on which voters want to dwell, but forced to think about it, many react in a negative way," Wenzel said.

"This may be the very reason Obama's supporters in the mainstream media do not want this topic discussed, and there has been a concerted effort to marginalize those who raise questions about this issue," he said.

"But the truth is that if Americans came to realize just how many of their neighbors harbor the same skepticism about Obama's eligibility that they share, the political and societal ramifications could bring dramatic change to this nation," he said.

He said Americans so far mostly have been content to "sit idly by while an apparent imposter raids their national treasury and runs their once-great nation into the ground."

# Obama Impeachment 2012

Film director, producer, actor and writer Sean Stone has thrown his weight behind a resolution introduced in the House last month by North Carolina Republican [Walter Jones](#). Resolution 107 states that should the president use offensive military force without the authorization of Congress that such an act would be “an impeachable high crime and misdemeanor.”

Article I, Section 8, of the Constitution reserves exclusively for Congress the power to declare war. Both [Thomas Jefferson and James Madison](#) argued that the power to declare war must reside in the legislative branch of government and the president will only act as the commander-in-chief and direct the war after it is declared by Congress.

“The constitution supposes, what the history of all governments demonstrates, that the executive is the branch of power most interested in war, and most prone to it. It has accordingly with studied care vested the question of war in the legislature,” Madison wrote.

In the video, Stone notes Obama’s unconstitutional war on Libya was waged “despite the fact that the United States was neither attacked, nor threatened for attack by the nation of Libya.”

Secretary of Defense Leon Panetta said during questioning by [Senator Jeff Sessions](#) of Alabama that the Obama administration does not believe Congress has the exclusive right to declare war and that the Pentagon answers to the United Nations, not the people of the United States.

The Obama administration “does not believe that the Congress has the exclusive power to declare war,” Stone notes, and “accordingly the president should be impeached.”

Stone also mentions Obama’s facilitation of the banker engineered 2008 “bailout” as an additional reason he should be tried for High Crimes and Misdemeanors and impeached. Obama’s efforts worked in favor of the “consolidation of private banks, [many of them in Europe](#).”

“There was no investment of any meaningful type in the physical economy, there was no protection of the American people,” Sean explains. “Rather, an illegal commitment made on behalf of private banking interests, to commit the American people to paying a debt that the American people did not accrue.”

He rightly notes that Obama’s actions “represent the most clear violation of the principal of the general welfare of the people in the preamble of the Constitution of the United States.”

In addition to setting the stage for the economic rape of the American people and waging illegal and unconstitutional wars, Obama has committed a number of other egregious violations of the Constitution.

Specifically, Obama violated the Constitution’s Takings and Due Process Clauses when he bullied the secured creditors of automaker [Chrysler](#) into accepting 30 cents on the dollar while politically connected labor unions and preferential others received better deals.

In addition, the [Dodd-Frank financial “reform” bill](#) created the so-called Financial Protection Bureau and Financial Stability Oversight Council, bureaucratic monstrosities that are now engaged in unchecked and unconstitutional economic action without consulting Congress. The Dodd-Frank bill also further [empowers the bankster’s preferred cartel](#), the Federal Reserve (which has engaged in [unconstitutional activity](#) for nearly a hundred years).

The Obamacare mandate is the most obvious violation. “No list of President Obama’s constitutional violations would be complete without including the requirement that every American purchase health insurance, on penalty of civil fine. The individual mandate is unprecedented and exceeds Congress’s power to regulate interstate commerce. If it is allowed to stand, Congress will be able to impose any kind of economic mandate as part of any kind of national regulatory scheme. Fortunately, the Supreme Court has a chance to strike this down during its current term,” writes [Ilya Shapiro](#), a Senior Fellow in Constitutional Studies, Cato Institute.

Obama signed into law the [NDAA](#) with a provision allowing the military to indefinitely detain American citizens. “He will forever be known as the president who signed indefinite detention without charge or trial into law,” said the executive director of the ACLU, [Anthony Romero](#).

Finally, Obama may be tried and impeached for signing a large number of executive orders. Article II of the Constitution provides the president with three options when presented with legislation – do nothing, sign the bill, or veto it in its entirety.

“Obama’s use of signing statements has clearly shown his willingness to [continue the George W. Bush legacy](#) – not only of torture and illegal detainment, but in the dangerous trend of *de facto* rule by ‘executive fiat.’ Worse, such signing statements put in place a precedent for future presidents to follow – or expand upon,” writes [Aaron Dykes](#).

Obama is definitely a renegade president in violation of the law. He is guilty of treason and must be brought up on formal charges. The House must introduce a resolution for impeachment and a trial must be held in the Senate.

It can be argued that Obama has done little different than any number of presidents going back to Abraham Lincoln. Now is the time to put an end to this treasonous and tyrannical behavior. If we continue to allow the executive to flagrantly violate the Constitution, we will eventually end up with a full-blown dictatorship run out of the White House. Congress will become ceremonial and the will of the American people will be null and void once and for all.

The issue is Obama has not provided the documentation needed to determine whether he meets the Constitution's requirement that a president be a "natural-born citizen."

Obama has refused to allow access to whatever original documentation there might be in the state of Hawaii, where he said he was born, as well as many other documents, such as passport records, kindergarten records, Punahou school records, Occidental College records, Columbia University records, Columbia thesis, Harvard Law School records, Harvard Law Review articles, University of Chicago articles, Illinois State Bar Association records, Illinois State Senate records and schedules, medical records, Obama/Dunham marriage license, Obama/Dunham divorce documents, Soetoro/Dunham marriage license and adoption records.

There also are his critics who say that "natural born citizen" at the time the Constitution was written would have meant the offspring of two citizens of the country, and since Obama's father was a foreign national, he would not qualify under that standard.

WND previously reported that some of the silence from the media may be due to threats.

Lead Cold Case Posse investigator Mike Zullo told WND, "During our investigation, we actually were told [that media] had been threatened with FTC investigations. Commentators [had been] threatened with their jobs."

The threats were so intimidating that some individuals quit their positions over safety concerns for their families, he said.

### **Democrat sues to boot Obama from ballot**

Alleges he 'has not established being a natural-born citizen, or even a citizen'

Published: 12 hours ago

by [Bob UnruhEmail](#) | [Archive](#)

Another lawsuit has been filed asking state officials to remove Barack Obama's name from the 2012 election ballot because he has not documented that he is eligible for the office, but this case in Florida has a twist: It was brought by a Democrat.

The case was filed by Larry Klayman of [Freedom Watch USA](#) on behalf of Democrat Michael Voeltz, "a registered member of the Democrat Party, voter, and taxpayer in Broward County, who was an eligible elector for the Florida Primary of Jan. 31, 2012."

As part of his responsibilities, the lawsuit explains, Voeltz took "an oath to 'protect and defend' the U.S. Constitution."

The complaint cites widely reported suspicions that Obama might not have been born in the United States and the fact that his father never was a U.S. citizen. It contends that because of those circumstances, Obama is not a "natural-born citizen" as the Constitution demands

of the president.

Named as defendants are Florida Secretary of State Ken Detzner and the state Elections Canvassing Commission.

"The requirement for natural-born citizenship, which is found in the U.S. Constitution, was intended to prevent foreign influences from 'influencing' an American president," Klayman said as the action was being filed. "These 'influences' have regrettably been witnessed by the American people during President Obama's term in office. It is clear the Founding Fathers intended to avoid such a situation, where an American president seems to frequently sympathize with and take actions benefiting foreign interests."

[Discover what the Constitution's reference to "natural born citizen" means and whether Barack Obama qualifies, in the ebook version of "Where's the REAL Birth Certificate?"](#)

Klayman explained that the U.S. Constitution mandates a president must be a "natural born citizen" - born to two U.S. citizens. Neither Obama nor the Democratic Party of Florida nor any other group has confirmed that Obama is a "natural born citizen" **since his father was a British subject born in Kenya and not a citizen of the United States**, Klayman said.

The Florida Election Code allows any voter or taxpayer to challenge any candidate who is ineligible for public office in the Leon County courts. If the secretary of state cannot confirm Obama's eligibility, then Klayman is demanding the court grant an injunction preventing Obama's name from appearing on the Florida General Election Ballot in 2012.

Klayman was a U.S. Senate candidate in Florida in 2004. He formerly headed Judicial Watch and in that capacity appeared in Florida courts in the famous case of Gore v. Bush before Judge N. Sanders Sauls in Leon County.

The new case raises a number of issues:

On or about April 2011, only after years into his presidency, and under media and political pressure, Barack Hussein Obama published on the Internet an electronic version of a purported birth certificate alleging his birth in Honolulu, Hawaii on August 4, 1961, to American citizen mother, Stanley Ann Dunham, and Kenyan British subject father, Barack Obama Senior," the complaint explains.

There is credible evidence indicating that this electronically produced birth certificate is entirely fraudulent or otherwise altered. No physical, paper copy of the actual long form birth certificate has been produced in order to definitively establish Barack Hussein Obama's birth within the United States."

The action follows by only weeks the release of Sheriff Joe Arpaio's investigation into Obama's antecedents. The six-month-long investigation done by professional law enforcement officers working on a volunteer basis for Arpaio's Cold Case Posse found that there is probable cause to believe there was forgery involved in the production of Obama's birth certificate, and fraud in presenting that document as a genuine document.

Even if Barack Hussein Obama was born within the United States, he is still not a 'natural-born citizen' as required by the U.S. Constitution," the lawsuit states. "Barack Obama Sr. was born in the British Colony of Kenya on June 18, 1936. Birth in Kenya made Barack Obama Sr. a British subject, according to and governed by the British Nationality Act of 1948.

The lawsuit notes that state officials in Florida never have tried to ascertain Obama's

eligibility even though they are under oath to “support the U.S. Constitution.”

“Defendant Barack Hussein Obama has not established the eligibility requirements set forth by the U.S. Constitution of being a natural born citizen, or even a citizen, of the United States,” the case states.

It seeks a determination that the state must following the U.S. Constitution and verify Obama’s eligibility or make a determination itself of Obama’s eligibility.

The new case follows about a dozen others that already have been filed on similar grounds in other states. While most of the cases have been dismissed, some now are on appeal.

In Georgia, for example, a terse rejection by the state Supreme Court has opened the door to an appeal to the U.S. Supreme Court.

In that case, [the recent abrupt rejection by the state Supreme Court indicates the state’s “laws and courts are a sham,” one case participant suggested.](#)

The comment comes from Van Irion of [Liberty Legal Foundation](#), one of several attorneys who started out several weeks ago with a challenge to Obama’s candidacy based on a state law that allows residents to require candidates to prove their eligibility for the office they seek.

At the hearing level, an administrative law judge simply threw out all of the evidence and ruled in favor of Obama, who, along with his lawyer, snubbed the hearing and refused to appear.

An intermediate court followed suit and now the state Supreme Court has issued a terse denial.

“Upon consideration of applicant’s ‘Emergency Motion for Preliminary Injunction,’ the motion is hereby denied,” the court said in a one-line refusal.

Irion had asked the court to halt the certification of the primary election results that included Obama’s name until the court case could be argued.

“I believe that this latest ruling proves that Georgia law does not apply to the powerful,” Irion said in today’s statement to supporters and others. “Put another way, Georgia laws are enforced against the powerless by the powerful, but when the powerless try to have the laws applied to the powerful the courts protect the powerful.

“This is worse than anarchy. With total anarchy everyone knows that the powerful rule. With anarchy everyone understands that the only rules are the rules that the powerful want to enforce, when the powerful want to enforce them. What we have in Georgia is a system of laws and courts that appear to be fair and claim to be impartial, but in reality the purpose of the laws and courts is to deceive the people into thinking that justice is possible. The laws and courts are a sham. The courts serve to disguise the one-sided enforcement of the law.”

In Georgia, the challenges to Obama were raised by several individuals represented by different attorneys. They brought the arguments under a state law that allows any citizen to challenge the qualifications of a candidate.

The plaintiffs argued several points before administrative law judge Michael Malihi, including Obama’s alleged failure to qualify as a “natural-born citizen.”

Citizens raising concerns include David Farrar, Leah Lax, Thomas Malaren and Laurie Roth,

represented by [Orly Taitz](#); David Weldon represented by attorney Van R. Irion of [Liberty Legal Foundation](#); and Carl Swensson and Kevin Richard Powell, [represented by J. Mark Hatfield](#). [Cody Judy is raising a challenge because he also wants to be on the ballot.](#)

## Sheriff Joe: 'Tons' more shocking Obama info [to come soon]

Rips 'biggest censorship blackout in the history of the United States'

Published: 23 hours ago

by [Joe KovacsEmail](#) | [Archive](#)

Joe Kovacs, executive news editor for WND, is an award-winning journalist and author of the forthcoming book, “The Divine Secret: The Awesome and Untold Truth About Your Sheriff Joe Arpaio

“America’s toughest sheriff” says there is “tons” more potentially shocking information on Barack Obama in connection with his probe into the president’s eligibility, and he calls the media’s suppression of his findings of a likely forged presidential birth certificate and Selective Service Card “probably the biggest censorship blackout in the history of the United States.”

“I’m not going after the president to keep him off a ballot or anything else, but that could happen,” Arizona Sheriff Joe Arpaio said. “I’m going at it strictly as a law-enforcement guy investigating a possible forgery and fraud. I’m sticking with that, but I’ll tell you one thing. We got tons of other information that could be very shocking, too, but I’m sticking now with just the [forgery] investigation and possible criminal violations.”

The lawman from Maricopa County made the comments March 16 on a national radio show hosted by Roger Hedgecock. (*Scroll down for video.*)

[Help Sheriff Joe blow the lid off Obama’s fraud. Join the Cold Case Posse right now!](#)

As [WND reported March 1](#), Arpaio and his Cold Case Posse announced there is probable cause indicating the documents released by the White House last April purported to be **Obama’s original, long-form birth certificate and Selective Service registration card are**

actually forgeries.

[Read the preliminary findings of Sheriff Arpaio's Cold Case Posse investigation.](#)

He stressed on the radio show his original intent with the posse was to put to rest all the claims suggesting Obama was not meeting the constitutional requirements to hold the presidency.

"I told these guys, 'I want you to do a good job. I hope we clear the president,'" he explained. "I said give me the microfiche in Hawaii to show that he was born in that hospital. Give us the microfiche. I said that six months ago. And that would clear everything up. But as we went into it with an open mind, now we're coming to a conclusion that we may have some forged documents revolving around this situation."

When asked about making an arrest, Arpaio said, "We're trying to identify any alleged forger. We haven't done that yet. ... I'm not blaming the president, but if they're forged, someone has to be responsible for doing that."

The sheriff also said that on Friday, he made a decision about where to send Obama's Selective Service Card in order to have that agency "help us or do an independent investigation."

"We have nothing to hide. We're bringing it to their attention, and see what happens," Arpaio said. "My problem is, there's a lot of conflicts out here to get somebody to look into this. [Regarding] the media ... this is **probably the biggest censorship blackout in the history of the United States**. When I go to the toilet, I make it in national news. ... I just can't believe the media, including the cable media blocking this thing out."

Today, [Arpaio issued a statement](#) saying he sent his request for assistance to the [U.S. Selective Service System](#), asking its director, [Lawrence Romo](#), to respond to him within 30 days on whether or not his national office will provide the sheriff with the original document, and if that office will move forward with an investigation of its own.

On Hedgecock's radio show, Arpaio noted:

"I guess common sense would be to send it to them. The Selective Service director is appointed by the president. ... They only have 136 employees in the whole organization. I presume if I did that, what do you think they're gonna do with it? The director who was appointed from San Antonio, Texas, eight months into the Obama administration, what do you think he's gonna do? He's probably gonna call some guy at the White House if he can get up to the chief of staff to ask some advice, and then what are they gonna do? Give it to the attorney general? I don't know. ... So I'm fighting big battles here."

Arpaio made special note about the issue of Obama's possibly forged Selective Service Card.

"We had a press conference. A lot of people came. They were snickering, trying to embarrass me, [saying] this is a pony show trying to get publicity," he said. "However, when we showed the Selective Service Card on the screen, you could hear a pin drop."

Because of inconsistencies on the form itself - including an unusually incomplete date stamp - sheriff's investigators suspect the form, which was allegedly filled out in Honolulu in 1980, may be a forgery.

WND is reporting today that Arpaio is [seeking Obama's original registration card from Selective Service](#).

Sheriff's investigators were able to replicate the alleged forgery by obtaining a circa 1980 pica stamp and a circa "2008" date plug. Investigators were able to clearly demonstrate the "80" (which should have actually read 1980) in Obama's Selective Service Registration form resulted from cutting out the "08" from an authentic "2008" date plug, and inverting the "08" to read "80" when the cut plug was loaded into the year slot on the 1980 pica stamp.

Meanwhile, **although Arpaio did not focus on Obama's Social Security Number at his news conference, WND has also reported the president may be using a fraudulent number**, another important piece of information the national news media continue to suppress.

[Follow all the future developments in this story - sign up for WND's email news alerts right now!](#)

The Arpaio findings are not the only items the media are refusing to cover. As [WND reported yesterday, a full-blown cover-up](#) appears to be taking place in connection with WND's disclosure about a retired U.S. postman who has signed a sworn affidavit suggesting [Obama was a foreign-born student who was receiving financial help to go to Harvard from the parents of domestic terrorist Bill Ayers](#).

*See excerpts of WND's interviews with mailman Allen Hulton:*

Arpaio's Cold Case Posse began its investigation in August after 250 members of the Surprise, Ariz., Tea Party, presented a signed petition asking him to undertake the investigation. The tea partiers indicated if a forged birth certificate had been used to place Obama on the 2012 Arizona presidential ballot, their rights as Maricopa County voters could be compromised.

**NOTE: In case you missed the news conference of Sheriff Joe Arpaio's "Cold Case Posse," [you can view it here](#).**

Then last December, Obama's Justice Department held its own news conference [to claim Arpaio's office committed civil-rights violations against Hispanics](#), including racial profiling and heavy-handed immigration patrols based on racially charged complaints.

When asked about that during Friday's radio show, Arpaio said, "They want to control my organization, [imposing] monitors and everything else. I'm not gonna go for that. So I guess they'll sue me and we'll go to court and put the real facts out. The real facts that they're going to have to come up with including all their so-called witnesses that they won't identify. They won't give us anything."

## Sheriff Joe wants Obama's original draft card and Asks feds: What steps will be taken to investigate possible forgery?

Published: 22 hours ago

by [Jerome R. Corsi](#) | [Email](#) | [Archive](#)

Jerome R. Corsi, a Harvard Ph.D., is a WND senior staff reporter. He has authored many books, including No. 1 N.Y. Times best-sellers "The Obama Nation" and "Unfit for Command." Corsi's latest book is ["Where's the REAL Birth Certificate?"](#)

Following up on his investigative team's finding of probable cause that Barack Obama's Selective Service registration form is a forgery, Maricopa County, Ariz., Sheriff Joe Arpaio has asked Selective Service Director Lawrence Romo [in a letter](#) to produce original documentation.

A copy of Obama's registration form indicates the registration took place at the Makiki Station Post Office in Honolulu on July 29, 1980. Arpaio wants court-approved, forensic experts selected by his office to examine the original for its authenticity, as well as any microfilm or computer copies that may exist.

[In the letter](#), Arpaio also asked Romo to pursue his own investigation to determine when and how Obama's Selective Service registration was submitted and entered into the agency's records.

"No doubt your agency has established procedures for investigating probable cause suspicions when a Selective Service Registration card has been forged," Arpaio writes.

[Help Sheriff Joe bust the lid off Obama's fraud. Join the Cold Case Posse right now!](#)

Arpaio tells Romo his sheriff's office "would appreciate knowing what steps you will direct the Selective Service system to take to investigate these allegations, so that together we may ultimately identify the person or persons responsible for producing the document."

Arpaio asks Romo to respond within 30 days regarding whether or not his national office will provide him with the original document and if his agency will move forward with an investigation of its own.

Romo, who was appointed in 2009 by Obama, reports directly to the president.

### Date stamp forged?

Exhibit A shows Obama's Selective Service registration form, with the Post Office date stamp, July 29, 1980, in the lower right corner.

Exhibit A: Barack Obama's Selective Service registration form

Arpaio's investigators reviewed a number of authentic Selective Service registration forms obtained from the federal government through Freedom of Information Act requests.

[Read the preliminary findings of Sheriff Arpaio's Cold Case Posse investigation.](#)

Exhibit B presents four of the authentic Selective Service registration forms. All of the forms have a Post Office stamp that indicates the year with four digits.

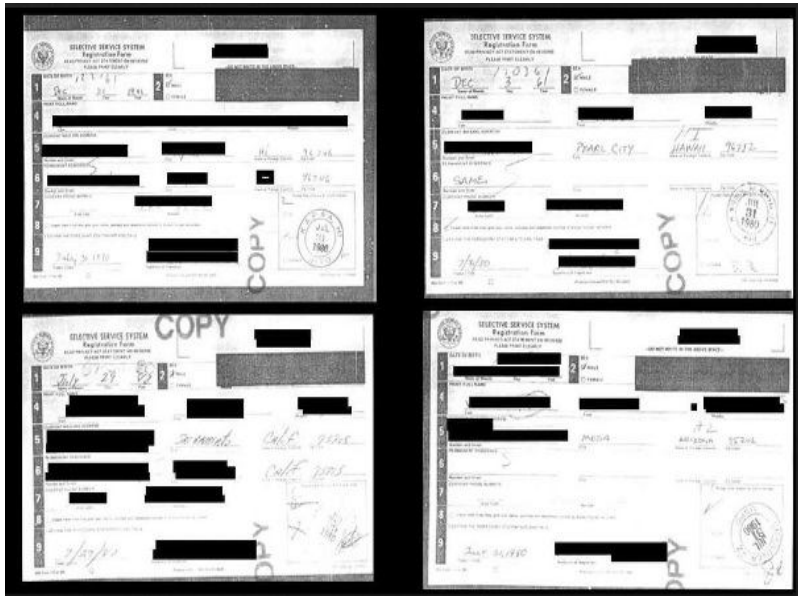

Exhibit B: Authentic Selective Service registration forms, with Post Office stamps containing four-digit year designation

In sharp contrast, the year designation in Obama's Selective Service registration has two digits, specifying only "80" instead of "1980."

Exhibit C shows the standard Post Office date-stamp equipment that was used to stamp Selective Service registration forms. A close-up shows the three slots on the bottom of the stamp in which the month, day and year plugs were inserted.

Exhibit C: Standard Post Office date stamp, Selective Service registration

Exhibit D shows five examples of the expected results from the pika stamp used by the U.S. Post Office to date-stamp Selective Service registration forms.

Exhibit D: Authentic Selective Service registration date stamps, 1980

The first two stamps in the illustration are from the same Post Office - Makiki Station in Honolulu, Hawaii - indicated on Obama's Selective Service registration.

While some of the letters stamped in the outer ring on some of the authentic documents are indistinct or even missing, all of the authentic date stamps include four digits for the year at the center of the stamp.

#### Investigators duplicate Obama's date stamp

Arpaio's investigators located and interviewed several 1980s-era Post Office employees who attested that it was standard procedure to utilize a four-digit date stamp.

Investigators next turned their attention toward figuring out how Obama's Selective Service registration form could possibly have obtained a two-digit year stamp.

Exhibit E shows investigators were able to obtain an authentic 1980 pica date stamp. The photograph also shows the knife set used in the investigation.

Exhibit E: Knife used to cut "2008" date, pica Post Office date stamp

Since investigators could find no 1980 pica Post Office date stamps available, they had no choice but to cut a 2008 pica Post Office date stamp and invert the "08" half, so that when it was placed in the date compartment, the stamp printed out "80."

Surprisingly, the result ended up looking identical to the date stamp on Obama's Selective Service registration card, as demonstrated in Exhibit F.

Exhibit F: "80" two-digit PICA Post Office date stamp in Barack Obama's Selective Service registration (black stamp) and in the date stamp produced by Sheriff Arpaio's investigators (red stamp)

Exhibit G makes clear that the off-to-the-right date stamp seen in the registration, the same as is seen in the demonstration by Arpaio's investigators, is not observed in the authentic four-digit pica date stamp used in the same office indicated on Obama's Selective Service registration, which has the same month, July 1980.

Exhibit G, Obama Selective Service registration on left, authentic Selective Service registration on right - same month, same Post Office

The numbers "80" are out of line to the right in Obama's card because when the numbers "08" were cut away from the "2008" date plug, they were not cut squarely.

Arpaio's investigators concluded that Obama's Selective Service registration card fit into what was becoming a common narrative for his life: The document was not only forged, it was poorly forged.

## CISPA: Let Congress Know You Will Not Let Them Trash the Fourth Amendment / Web

Kurt Nimmo

Once again, [Congress has ignored the will of the people](#).

For weeks it has been obvious that millions of Americans are steadfastly opposed to CISPA, the so-called cybersecurity legislation passed by the House last night that will allow the government to surveil Americans and deny them Fourth Amendment protection while on the internet.

Congressional leaders and members have come up with all kinds of lame excuses in order to push the bill through, including the absurd claim made by the House Majority leader that CISPA will create jobs.

Our supposed "representatives" need to hear from you about their traitorous effort to subvert and undermine the Constitution.

[Follow this link to Govtrack to see if your Congress critter voted for or against H.R. 3523](#), the Cyber Intelligence Sharing and Protection Act. If they did, let them know you will not sit idle and allow them to trash our constitutional rights.

Stories pointing out how CISPA destroys the Fourth Amendment – something the establishment media has all but ignored – need to go viral before the bill makes it to the Senate for a vote.

If the Senate is barraged with demands that CISPA be tossed before it can reach Obama's desk, we may still stand a chance of foiling this draconian police state effort.

## 25 Horrible Statistics About The U.S. Economy That Barack Obama Does Not Want You To Know

### The American Dream

April 28, 2012

The human capacity for self-delusion truly is remarkable. Most people out there end up believing exactly what they want to believe even when the truth is staring them right in the face. Take the U.S. economy for example. Barack Obama wants to believe that his policies have worked and that the U.S. economy is improving. So that is what he is telling the American people. The mainstream media wants to believe that Barack Obama is a good president and that his policies make sense and so they are reporting that we are experiencing an economic recovery. A very large segment of the U.S. population still fully supports Barack Obama and they want to believe that the economy is getting better so they are buying the propaganda that the mainstream media is feeding them. But is the U.S. economy really improving? The truth is that it is not. The rate of employment among working age Americans is exactly where it was two years ago and household incomes have actually gone down while Obama has been president. Home ownership levels and home prices continue to decline. Meanwhile, food and gasoline continue to become even more expensive. The percentage of Americans that are dependent on the government is at an all-time record high and the U.S. national debt has risen by more than 5 trillion dollars under Obama. We simply have not seen the type of economic recovery that we have seen after every other economic recession since World War II.

The horrible statistics about the U.S. economy that you are about to read are not talked about much by the mainstream media. They would rather be “positive” and “upbeat” about the direction that things are headed.

But lying to the American people is not going to help them. If you are speeding in a car toward a 500 foot cliff, you don’t need someone to cheer you on. Instead, you need someone to slam on the brakes.

The cold, hard reality of the matter is that the U.S. economy is in far worse shape than it was four or five years ago.

We have never come close to recovering from the last recession and another one will be here soon.

The following are 25 horrible statistics about the U.S. economy that Barack Obama does not want you to know....

**#1** The percentage of Americans that own homes is dropping rapidly. According to Gallup, the current level of homeownership in the United States [is the lowest](#) that Gallup has ever measured.

**#2** Home prices in the U.S. continue to fall like a rock as well. They have declined for six months in a row and are now down a total of [35 percent](#) from the peak of the housing bubble. The last time that home prices in the United States were this low was back [in 2002](#).

**#3** Last year, an astounding [53 percent](#) of all U.S. [college graduates](#) under the age of 25 were either unemployed or underemployed.

**#4** Back in 2007, about 10 percent of all unemployed Americans had been out of work for 52 weeks or longer. Today, that number [is above 30 percent](#).

**#5** When Barack Obama first became president, the number of “long-term unemployed workers” in the United States was 2.6 million. Today, it is [5.3 million](#).

**#6** The average duration of unemployment in the United States is [about three times](#) as long as it was back in the year 2000.

**#7** Despite what the mainstream media would have us to believe, the truth is that the percentage of working age Americans that are employed is not increasing. Back in March 2010, [58.5 percent](#) of all working age Americans were employed. In March 2011, [58.5 percent](#) of all working age Americans were employed. In March 2012, [58.5 percent](#) of all working age Americans were employed. So how can Barack Obama and the mainstream media claim that the employment situation in the United States is getting better? The employment rate is still essentially exactly where it was when the last recession supposedly ended.

**#8** Back in 1950, [more than 80 percent](#) of all men in the United States had jobs. Today, [less than 65 percent](#) of all men in the United States have jobs.

**#9** In 1962, 28 percent of all jobs in America were manufacturing jobs. In 2011, only [9 percent](#) of all jobs in America were manufacturing jobs.

**#10** In some areas of Detroit, Michigan you can buy a three bedroom home [for just \\$500](#).

**#11** According to one recent survey, approximately [one-third of all Americans](#) are not paying their bills on time at this point.

**#12** Since Barack Obama entered the White House, the price of gasoline has risen [by more than 100 percent](#).

**#13** The student loan debt bubble continues to expand at a very frightening pace. Recently it was announced that total student loan debt in the United States has passed [the one trillion dollar mark](#).

**#14** Incredibly, [one out of every four jobs](#) in the United States pays \$10 an hour or less at this point.

**#15** Household incomes all over the United States continue to fall. After adjusting for inflation, median household income in America has declined by [7.8 percent](#) since December 2007.

**#16** Over the past several decades, government dependence has risen to unprecedented heights in the United States. The following is how I described the explosive growth of social welfare benefits [in one recent article](#)....

*Back in 1960, social welfare benefits made up approximately [10 percent](#) of all salaries and wages. In the year 2000, social welfare benefits made up approximately [21 percent](#) of all salaries and wages. Today, social welfare benefits make up approximately [35 percent](#) of all salaries and wages.*

**#17** In November 2008, 30.8 million Americans were on food stamps. Today, [more than 46 million](#) Americans are on food stamps.

**#18** Right now, [more than 25 percent](#) of all American children are on food stamps.

**#19** According to the U.S. Census Bureau, today [49 percent](#) of all Americans live in a home that receives some form of benefits from the federal government.

**#20** Over the next 75 years, Medicare is facing unfunded liabilities of more than 38 trillion dollars. That comes to [\\$328,404](#) for each and every household in the United States.

**#21** During the first quarter of 2012, U.S. public debt rose by [359.1 billion dollars](#). U.S. GDP only rose by 142.4 billion dollars.

**#22** At this point, the U.S. national debt is rising [by more than 2 million dollars](#) every single minute.

**#23** The U.S. national debt has risen [by more than 5 trillion dollars](#) since the day that Barack Obama first took office. In a little more than 3 years Obama has added more to the national debt than the first 41 presidents combined.

**#24** The Federal Reserve bought up approximately [61 percent](#) of all government debt issued by the U.S. Treasury Department during 2011.

**#25** The [Federal Reserve](#) continues to systematically destroy the value of the U.S. dollar. Since 1970, the U.S. dollar has lost [more than 83 percent](#) of its value.

But the horrible economic statistics only tell part of the story.

In communities all over America there is a feeling that something fundamental has changed. Businesses that have been around for generations are shutting their doors and there is a lot of fear in the air. The following is a brief excerpt from [a recent interview with Richard Yamarone](#), the senior economist at Bloomberg Brief....

*You have to listen to what the small businesses are telling you and right now they are telling you, ‘Hey, I’m the head of a 3rd or 4th generation, 75 or 100 year old business, and I’ve got to shut the doors’ or ‘I’ve got to let people go. And if I’m hiring anybody back, it’s only on a temporary basis.’*

*Sometimes they do this through a hiring firm so that they can sidestep paying unemployment benefit insurance. So that’s what’s really going on at the grassroots level of the economy. Very, very, grossly different from what you’re seeing in some of these numbers coming out in earnings releases.”*

If you're supporting Obama for re-election, may I remind you:

- Guantanamo is still open
- NDAA expanded indefinite detention to YOU
- We have more military conflicts now, not less
- Your government is less accountable
- Your corn muffin still contains GMOs
- New GMOs have been approved
- GMOs are still not labeled
- Wall Street has more privacy
- Big Pharma has more reign
- By CPI, your dollar is worth about 73¢
- Gas prices are 200% of what they were
- 50%+ of your democratic friends have re-registered as "No Party Affiliation"

## Monkeys Get Autism-like Reactions to MMR & Other Vaccines In University of Pittsburgh Vaccine Study

By [Catherine J. Frompovich](#) | April 29th, 2012 | Category: [Catherine Frompovich](#), [Top Stories](#) | [43 comments](#)

A University of Pittsburgh study showed vaccines altered the behavior in monkeys.

Someone did perform safety studies the U.S. Centers for Disease Control and Prevention (CDC) and the U.S. Food and Drug Administration (FDA) should have mandated be performed and vetted BEFORE numerous vaccines were released into the public sector for mass vaccinations.

Lead investigator Laura Hewitson, PhD, probably dropped a bombshell when she and her colleagues completed a macaque monkey (primates) study of the very same vaccines given to children during 1994-1999, i.e., the Measles-Mumps-Rubella (MMR) vaccine and several Thimerosal mercury-containing vaccines injected into children during that time frame when the autism spectrum disorder skyrocketed.

The results of that pilot study were published as a *Research Paper* in *Acta Neurobiological Experimentals* in 2010 and titled "Influence of pediatric vaccines on amygdala growth and opioid ligand binding in rhesus macaque infants: A pilot study." [1] Even though there was alleged controversy revolving around Hewitson's monkey studies, e.g., charges of conflicts of interest since she filed a claim with the vaccine court on behalf of her child, [2] the information generated needs to be revisited and duplicate studies need to be undertaken. Why haven't they? Is there too much influence from vaccine makers not to do them? Parents need to make demands on the U.S. Congress to require such safety studies on monkeys be duplicated immediately, plus suspend all mandates on vaccinations until the study results are in. Did Dr Hewitson become another professional *persona non-grata* because she may have been on the right track?

Congress needs to consider seriously the Hewitson, et al. report that stated:

*"Vaccine-exposed and saline-injected control infants [monkeys] underwent MRI and PET imaging at approximately 4 and 6 months of age, representing two specific timeframes within the vaccination schedule. ...*

*"These results suggest that maturational changes in amygdala volume and the binding capacity of [<sup>11</sup>C]DPN in the amygdala was significantly altered in infant macaques receiving the vaccine schedule." [1]*

That alone should be the explicit reason for duplicating the monkey study with independent non-pharmaceutical industry conflict of interest scientists.

In this author's opinion, no one has bigger conflicts of interest in study outcomes than the pharmaceutical makers who routinely perform them. Those are the very studies that should be subject to the same criticism as Dr Hewitson's. Why aren't they? Good question?

For those keeping track data, ASD went from 1 in 5,000 in the 1990s to the recently acknowledged [March 2012] figures of 1 in 88 along with 1 in 6 children in the USA having developmental disabilities. These stats were generated for data in the years 2006 to 2008. [3] There's a 4 to 6 year lag time. Could ASD be 1 in 50 by now at the rate it is escalating?, especially since there's a heavier push on mandates for vaccinations.

According to the Hewitson, et al. research study, biological changes and altered behaviors **did** occur in vaccinated monkeys, which resembled and were similar to those observed in ASD diagnosed children. However, there were no such symptoms showing or present in unvaccinated monkeys. *Don't you just gotta love those little monkeys!* Guess what else the ASD monkeys came up with, and Dr Wakefield is gonna like this one: Gastrointestinal problems manifested in vaccinated macaques such as *"many significant differences in the GI tissue gene expression profiles between vaccinated and unvaccinated animals."* [3] It's been a deeply debated topic within medicine that vaccinated children who contract ASD also have GI tract issues. Personally, I gotta wonder how the *British Medical Journal* is going to deal with encrusted dried egg on its face when duplicate studies confirm

the Hewitson monkey results. Perhaps the infamous *BMJ* retraction of the Wakefield article and Doctor's professional evisceration, commonly referred to as the "Wakefield Syndrome," euphemistically speaking is medicine protecting its vested interests.

Those little monkeys, however, came up with some other significant information that led former National Institutes of Health director Dr Bernadine Healy to voice some *bon mots* like:

*"I think public health officials have been too quick to dismiss the hypothesis as 'irrational,' without sufficient studies of causation...without studying the population that got sick."*

*"I have not seen major studies that focus on 300 kids who got autistic symptoms within a period of a few weeks of the vaccines."* [4]

Perhaps the most on-point quote regarding the monkey study came from Scott Bono, the National Autism Association chairman, i.e., something those who are accused of being against vaccinations have been questioning and demanding:

*"To date, the CDC has conducted no safety testing on the possible harmful effects of simultaneously administering multiple vaccines to infants, and has steadfastly refused to state a preference for mercury-free vaccines to be given to children and pregnant women. It's time for HHS and Congress to step in and take vaccine safety away from the CDC."* [4]

This author's retort to Mr. Bono's remark is that vaccine safety should be taken away from the Food and Drug Administration too! I'd like to remind readers that Congress is more at fault than anyone in this vaccine debacle. Congress has oversight and it has dropped the ball big time, probably due to all the lobbyists from Big Pharma who prowl the halls of Congress with deep pockets and nice expensive luncheon dates.

One of the issues I feel Congress has been remiss about is that it has not demanded safety studies and interaction of multiple vaccines studies BEFORE being placed into the marketplace. According to common and accepted knowledge, no such safety research or studies have been done on the current childhood vaccination regimen, except until the Hewitson 'monkey business' that was funded by independent, private money, for which everyone, I think, should be eternally grateful. However, the study had to be shot down since it was not favorable to vaccine makers. Why isn't someone else duplicating the monkey studies? Are they afraid of becoming another victim of science? Why, when isn't that what medical science should be all about: investigating problems and theories, publishing results, and interacting with other sciences, NOT excommunication as if they were breaking some religious dogma. Or, do they, in some vested interests minds?

## Current Vaccine Safety Activism in Congress

Now here is something every *VacTruth* reader should consider seriously: Supporting Congressman Dan Burton's (R-5-IN) request to the House Committee on Oversight and Government Reform Chairman Darrell Issa to hold hearings on the Vaccination Injury Compensation Program. Back on January 12, 2011, this writer filed a Whistleblower's Complaint on Vaccines with Chairman Issa and has yet to receive an acknowledgement of that filing.

Isn't about time to revisit, update, and do more extensive research into the Autism Spectrum Disorder *pandemic* that is spreading globally?

April 24, 2012 Congressman Burton posted a letter to *The Hill's Congress Blog* titled, "It is time to re-engage on the autism epidemic." He also wants to pass legislation to force the President to

address the ASD epidemic and its impact on Americans. Burton is committed to helping millions of children, adults, and families afflicted with ASD. We need to support Congressman Burton ASAP and here's how:

1. **Contact the Canary Party** to support their Facebook pages to hold Congressional hearings and a White House Conference on Autism. Contact [News@CanaryParty.org](mailto:News@CanaryParty.org).
2. **Contact Congressman Darrell Issa at the Oversight and Government Reform Committee** at 2157 Rayburn House Office Bldg., Washington, DC 20515 or **preferably telephone your request for Autism Investigation Hearings to 202-225-5074.**

For those who want to know about this information, the National Autism Association ([www.nationalautism.org](http://www.nationalautism.org)) will be holding a rally for toxin-free immunizations in Washington, DC on June 4, 2012, titled "Green Our Vaccines," which this author thinks is an oxymoron. How can you green vaccines when every ingredient is toxic? Just check out the CDC's PinkBook ***Vaccine Excipient & Media Summary*** at <http://www.cdc.gov/vaccines/pubs/pinkbook/downloads/appendices/b/excipient-table-2.pdf>.

Before I leave this article, I would like *VacTruth* readers to know that my colleague who also writes for *VacTruth*, Laraine C Abbey, RN (retired) and I co-edited a 150 page monograph in January 2011 titled ***Vaccines & Vaccinations: The Need for Congressional Investigation***, which you can read in full on *VacTruth* at <http://vactruth.com/vaccines-vaccinations-the-need-for-congressional-investigation/>.

Apparently others have read it and agree.

*Congressman Burton*, Nurse Abbey and I congratulate you on taking the stand you have, and we offer you our resources in obtaining a Congressional investigation.

*President Obama*, Nurse Abbey and I respectfully request a White House conference on Autism, and we offer you our resources to effectuate a *non-biased* conference.

*VacTruth* readers, I charge you with spreading this information and article as far and wide as you possibly can so that we can get an investigation that ought to be open, not biased, and the scientific facts—nothing but the facts, like those the monkeys finally had to prove. It was not monkey business; it's the real deal.

## SUPPORT TO CIVIL SUPPORT OPERATIONS

2-39. Civil support is the DOD support to U.S. civil authorities for domestic emergencies, and for designated law enforcement and other activities. (JP 3-28) Civil support includes operations that address the consequences of natural or man-made disasters, accidents, terrorist attacks and incidents in the U.S. and its territories.

2-40. The I/R tasks performed in support of civil support operations are similar to those during combat operations, but the techniques and procedures are modified based on the special OE associated with operating within U.S. territory and according to the categories of individuals (primarily DCs) to be housed in I/R facilities. During long-term I/R operations, state and federal agencies will operate within and around I/R facilities within the scope of their capabilities and identified role. Military police commanders must closely coordinate and synchronize their efforts with them especially in cases where civil authority and capabilities have broken down or been destroyed.

## AGENCIES CONCERNED WITH INTERNMENT AND RESETTLEMENT

1-40. External involvement in I/R missions is a fact of life for military police organization government and government-sponsored entities that may be involved in I/R missions include—

- International agencies.
  - UN.
  - International Committee of the Red Cross (ICRC).
  - International Organization of Migration.
- U.S. agencies.
  - Local U.S. embassy.
  - Department of Homeland Security.
  - U.S. Immigration and Customs Enforcement (ICE).
  - Federal Emergency Management Agency.

1-41. The U.S. Army National Detainee Reporting Center (NDRC), supported by theater reporting centers (TDRCs), detainee accountability, including reporting to the ICRC central agency.

1-42. There are also numerous private relief organizations, foreign and domestic, that will be involved in the humanitarian aspects of I/R operations. Likewise, the news media normally

## MILITARY POLICE SUPPORT TO RESETTLEMENT OPERATIONS

10-40. Resettlement operations typically include controlling civilian movement and providing relief to human suffering. These operations may be performed as domestic civil support operations (due to natural or man-made disasters), stability operations (due to noncombatant evacuation operations, humanitarian-assistance operations), or DC operations (due to combat operations). The authority to approve resettlement such operations within U.S. territories is at the Secretary of Defense level and may require a special exception to Title 18, USC (Posse Comitatus Act). The Posse Comitatus Act prohibits the U.S. military from enforcing civilian laws within the United States or its territories without specific authorization. The U.S. Constitution and other federal, state, and local laws may directly and significantly affect operations in the U.S. and its territories if the enforcement of civilian laws are required according to Title 10, USC. U.S. military forces conducting law enforcement functions in such cases require an authorization through a congressional act (for example, Title 10 USC, Sections 331 through 334 [Insurrection Statutes]) or a constitutional authorization (for example the President invoking his executive authority under Article 2 of the Constitution). U.S. Army National Guard Soldiers operating in a nonfederal status are not restricted by the Posse Comitatus Act. (See Title 32, USC, and JP 3-28.)

10-41. Military police support these operations predominately by decreasing civilian interference with military operations, by protecting civilians from combat operations or other threats (including natural and man-made disasters), and by establishing resettlement facilities in support of CA operations. When the joint force commander determines that there is a need, a variety of military police units may be deployed to assist in accomplishing the resettlement mission.

10-42. Once the decision is made to employ a military police unit to support resettlement operations, the military police commander becomes the resettlement facility commander. The resettlement facility

## Obama Deeds vs. Obama Words

Saturday, 5. May 2012

***“What you need to succeed is sincerity, and if you can fake sincerity you’ve got it made”***

**William Blum**

*“A few months ago I told the American people that I did not trade arms for hostages. My heart and my best intentions still tell me that is true, but the facts and evidence tell me it is not.” — President Ronald Reagan, 1987*

On April 23, speaking at the Holocaust Memorial Museum in Washington, DC, President Barack Obama told his assembled audience that as president “I’ve done my utmost ... to prevent and end atrocities”.

Do the facts and evidence tell him that his words are not true?

Well, let’s see ... There’s the multiple atrocities carried out in Iraq by American forces under President Obama. There’s the multiple atrocities carried out in Afghanistan by American forces under Obama. There’s the multiple atrocities carried out in Pakistan by American forces under Obama. There’s the multiple atrocities carried out in Libya by American/NATO forces under Obama.

There are also the hundreds of American drone attacks against people and homes in Somalia and in Yemen (including against American citizens in the latter). Might the friends and families of these victims regard the murder of their loved ones and the loss of their homes as atrocities?

Ronald Reagan was pre-Alzheimer’s when he uttered the above. What excuse can be made for Barack Obama?

The president then continued in the same fashion by saying: “We possess many tools ... and using these tools over the past three years, I believe — I know — that we have saved countless lives.” Obama pointed out that this includes Libya, where the United States, in conjunction with NATO, took part in seven months of almost daily bombing missions. We may never learn from the new pro-NATO Libyan government how many the bombs killed, or the extent of the damage to homes and infrastructure. But the President of the United States assured his Holocaust Museum audience that “today, the Libyan people are forging their own future, and the world can take pride in the innocent lives that we saved.” (As I described in last month’s report, Libya could now qualify as a failed state.)

Language is an invention that makes it possible for a person to deny what he is doing even as he does it.

Mr. Obama closed with these stirring words; “It can be tempting to throw up our hands and resign ourselves to man’s endless capacity for cruelty. It’s tempting sometimes to believe that there is nothing we can do.” But Barack Obama is not one of those doubters. He knows there is something he can do about man’s endless capacity for cruelty. He can add to it. Greatly. And yet, I am certain that, with exceedingly few exceptions, those in his Holocaust audience left with no doubt that this was a man wholly deserving of his Nobel Peace Prize.

And future American history books may well certify the president’s words as factual, his motivation sincere, for his talk indeed possessed the quality needed for schoolbooks.

## **Alleged US Army doc: re-education camps and psy-op missions aimed at activists**

An American military document just uncovered appears to detail an US Army plan that calls for detaining “political activists” at re-education camps staffed by military-hired “PSYOP officers” in both America and abroad.

The website Infowars.com has unearthed the smoking gun, a copy of a United States military manual entitled *FM 3-39.40 Internment and Resettlement Operations*, which appears to offer Defense Department insiders instructions on dealing with the imprisonment of anyone considered an enemy to the American way of life and how to go about indoctrination them with an “*appreciation of US policies and actions*” through psychological warfare.

The PDF made available is dated February 2010 but has only now been leaked online. A copy of the document has been uploaded to the website PublicIntelligence.net for viewing, and additionally a version appears to be hosted on the US Military’s Doctrine and Training Publications page at [armypubs.us.army.mil](http://armypubs.us.army.mil), although access to papers published there are unavailable to those without the Pentagon’s authorization, therefore making it impossible to verify the authenticity of the manual at this time. The military site that appears to host a copy has also implemented security measures on its servers that it cautions visitors are “*not for your personal benefit or privacy.*”

Further, the title page of the manual warns that the material contained in its 326 pages is to be distributed to US Defense Department and its contractors only, and that must be “*destroy[ed] by any method that will prevent disclosure of contents or construction of the document.*”

# The Internet Kill Switch; With Global

## Wiretapping Capability?

Recently run any whois queries on Google? No? How about Facebook? MSN, or Hotmail? Yahoo? You might be surprised, comparing the results.

Nice, innit? See the “Last Updated” part also.

The brand-protecting, anti-piracy company MarkMonitor Inc. has had all these DNS names under its control for several months now.

They also control the Wikimedia name services, even though that doesn’t show up on the Wikimedia.org whois record. There are many others. Apple.com falls under their jurisdiction, as does ubuntu.com. Nokia.com? Yep, under MarkMonitor. See a pattern here?

MarkMonitor also is a trusted Certificate Authority; they have, in essence, the means to fabricate safe-looking SSL connections for you, to whichever host they want. Your browser will not sound any warnings of possible man-in-the-middle attacks.

MarkMonitor is a company that can own most people’s “Internet” in minutes. It now controls all three top free e-mail providers directly, and I suppose it’s safe to say, most currently active social media sites too.

See for yourself. Whois yahoo.com, whois google.com, whois gmail.com, whois facebook.com, whois fbcdn.com, whois hotmail.com, whois msn.com... the list seems endless.

How’d all this happen?

This company has acquired complete access to monitor, eavesdrop, censor and fake any user of these popular Internet services in about one year (2011). In almost complete silence. For several of the sites, it also provides “firewall proxy” services, which means it is actually paid to intercept all communications. In and out.

The situation reminds me of Senator Joseph Lieberman’s 2010 initiative to create an “Internet kill switch” for the U.S.

The government only needs to control this one company, and most social media, most free e-mail, most search engines will be under its control. Not to mention most operating systems, for both computers and mobile devices.

## Not only inside U.S., but globally. One company to rule them all.

I, for one, would like to ask; WTF is going on? How did these guys, this relatively small domain-hogging and pirate-chasing company, get the resources to simply acquire the DNS records of all the most popular Internet services? How can this be so totally ignored by the media, and even privacy advocates? Even conspiracy theorists seem to be completely ignoring the situation.

### Secure communication is an illusion.

Only one company to rule them all? As if all this doesn’t sound bad enough, the problem is far more

widespread. MarkMonitor could easily act as a global “kill switch” for the sites under its rule.

MarkMonitor is a “brand-protecting” company. Traditionally its business has been reserving domains to protect brands. You buy its service, it makes sure that nobody else can have “mybrandsucks.com”.

Also, they’re an anti-piracy outfit. Their entire business is based on protecting IP.

Just saying, someone should probably question them and their customers. Why does Google, who always “do things themselves”, externalise these vital parts of its network?

How come all the competing phone and OS vendors, who sue each other all the time, suddenly trust this one company?

And then there’s all those competing social media companies, who practically thrive on what others call “IP theft”, including their users sharing text, images, music, videos and links?

Big questions. Defy common sense. Need answers.

Rush Limbaugh, the nation’s top-rated radio talk-show host, briefly brought up the issue of Barack Obama’s potentially criminal use of a Connecticut-based Social Security Number, since the president has never lived in the Constitution State.

While speaking with a caller named Rob about Obama’s alleged deception of citizens, Limbaugh tossed out the question: “What are your thoughts on the fact Obama’s Social Security Number is from Connecticut and he’s never been there?”

Rob responded, “That’s what you call a red flag. A red flag is also, ‘First of all, I don’t need to give you my birth certificate,’ and then finally, ‘I’ll give you a copy,’ Oh, that’s a modern copy ... We don’t need copies, we need originals.”

Rob continued, “How about releasing all of your college papers and let’s see what you really thought about America when you were in college? He’s deceiving us.”

“That’s true,” said Limbaugh. “They don’t want [us] to see what those term papers, doctoral theses and so forth actually were about, nor do they want us to see the grades. They don’t want us to see the grades.”

## The Declaration of Independence

IN CONGRESS, July 4, 1776.

The unanimous Declaration of the thirteen united States of America

When in the Course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.--That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, --That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing

invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security.--Such has been the patient sufferance of these Colonies; and such is now the necessity which constrains them to alter their former Systems of Government. The history of the present King of Great Britain is a history of repeated injuries and usurpations, all having in direct object the establishment of an absolute Tyranny over these States. To prove this, let Facts be submitted to a candid world.

He has refused his Assent to Laws, the most wholesome and necessary for the public good.

He has forbidden his Governors to pass Laws of immediate and pressing importance, unless suspended in their operation till his Assent should be obtained; and when so suspended, he has utterly neglected to attend to them.

He has refused to pass other Laws for the accommodation of large districts of people, unless those people would relinquish the right of Representation in the Legislature, a right inestimable to them and formidable to tyrants only.

He has called together legislative bodies at places unusual, uncomfortable, and distant from the depository of their public Records, for the sole purpose of fatiguing them into compliance with his measures.

He has dissolved Representative Houses repeatedly, for opposing with manly firmness his invasions on the rights of the people.

He has refused for a long time, after such dissolutions, to cause others to be elected; whereby the Legislative powers, incapable of Annihilation, have returned to the People at large for their exercise; the State remaining in the mean time exposed to all the dangers of invasion from without, and convulsions within.

He has endeavoured to prevent the population of these States; for that purpose obstructing the Laws for Naturalization of Foreigners; refusing to pass others to encourage their migrations hither, and raising the conditions of new Appropriations of Lands.

He has obstructed the Administration of Justice, by refusing his Assent to Laws for establishing Judiciary powers.

He has made Judges dependent on his Will alone, for the tenure of their offices, and the amount and payment of their salaries.

He has erected a multitude of New Offices, and sent hither swarms of Officers to harrass our people, and eat out their substance.

He has kept among us, in times of peace, Standing Armies without the Consent of our legislatures.

He has affected to render the Military independent of and superior to the Civil power.

He has combined with others to subject us to a jurisdiction foreign to our constitution, and unacknowledged by our laws; giving his Assent to their Acts of pretended Legislation:

For Quartering large bodies of armed troops among us:

For protecting them, by a mock Trial, from punishment for any Murders which they should commit on the Inhabitants of these States:

For cutting off our Trade with all parts of the world:

For imposing Taxes on us without our Consent:

For depriving us in many cases, of the benefits of Trial by Jury:

For transporting us beyond Seas to be tried for pretended offences

For abolishing the free System of English Laws in a neighbouring Province, establishing therein an Arbitrary government, and enlarging its Boundaries so as to render it at once an example and fit instrument for introducing the same absolute rule into these Colonies:

For taking away our Charters, abolishing our most valuable Laws, and altering fundamentally the Forms of our Governments:

For suspending our own Legislatures, and declaring themselves invested with power to legislate for us in all cases whatsoever.

He has abdicated Government here, by declaring us out of his Protection and waging War against us.

He has plundered our seas, ravaged our Coasts, burnt our towns, and destroyed the lives of our people.

He is at this time transporting large Armies of foreign Mercenaries to compleat the works of death, desolation and tyranny, already begun with circumstances of Cruelty & perfidy scarcely paralleled in the most barbarous ages, and totally unworthy the Head of a civilized nation.

He has constrained our fellow Citizens taken Captive on the high Seas to bear Arms against their Country, to become the executioners of their friends and Brethren, or to fall themselves by their Hands.

He has excited domestic insurrections amongst us, and has endeavoured to bring on the inhabitants of our frontiers, the merciless Indian Savages, whose known rule of warfare, is an undistinguished destruction of all ages, sexes and conditions.

In every stage of these Oppressions We have Petitioned for Redress in the most humble terms: Our repeated Petitions have been answered only by repeated injury. A Prince whose character is thus marked by every act which may define a Tyrant, is unfit to be the ruler of a free people.

Nor have We been wanting in attentions to our Brittish brethren. We have warned them from time to time of attempts by their legislature to extend an unwarrantable jurisdiction over us. We have reminded them of the circumstances of our emigration and settlement here. We have appealed to their native justice and magnanimity, and we have conjured them by the ties of our common kindred to disavow these usurpations, which, would inevitably interrupt our connections and correspondence. They too have been deaf to the voice of justice and of consanguinity. We must, therefore, acquiesce in the necessity, which denounces our Separation, and hold them, as we hold the rest of mankind, Enemies in War, in Peace Friends.

We, therefore, the Representatives of the united States of America, in General Congress, Assembled, appealing to the Supreme Judge of the world for the rectitude of our intentions, do, in the Name, and by Authority of the good People of these Colonies, solemnly publish and declare, That these United Colonies are, and of Right ought to be Free and Independent States; that they are Absolved from all Allegiance to the British Crown, and that all political connection between them and the State of Great Britain, is and ought to be totally dissolved; and that as Free and Independent States, they have full Power to levy War, conclude Peace, contract Alliances, establish Commerce, and to do all other Acts and Things which Independent States may of right do. And for the support of this Declaration, with a firm reliance on the protection of divine Providence, we mutually pledge to each other our Lives, our Fortunes and our sacred Honor.

## Preface

Field manual (FM) 3-39.40 is aligned with FM 3-39, the military police keystone FM. FM 3-39.40 provides guidance for commanders and staffs on internment and resettlement (I/R) operations. This manual addresses I/R operations across the spectrum of conflict, specifically the doctrinal paradigm shift from traditional enemy prisoner of war (EPW) operations to the broader and more inclusive requirements of detainee operations.

Additionally, FM 3-39.40 discusses the critical issue of detainee rehabilitation. It describes the doctrinal foundation, principles, and processes that military police and other elements will employ when dealing with I/R populations. As part of internment, these populations include U.S. military prisoners, and multiple categories of detainees (civilian internees [CIs], retained personnel [RP], and enemy combatants), while resettlement operations are focused on multiple categories of dislocated civilians (DCs).

Military police conduct I/R operations during offensive, defensive, stability, or civil support operations. I/R operations include military police support to U.S. military prisoner and detainee operations within operational environments (OEs), ranging from major combat operations to humanitarian-assistance missions in support of a host nation (HN) or civil agency. I/R operations are a major subordinate Army tactical task under the sustainment warfighting function. (See FM 7-15.) Placement under the sustainment warfighting function does not mean that I/R operations do not have relevance in the other warfighting functions. While I/R is listed under the sustainment warfighting function, it should be noted this is not a specified or implied mission of all sustainment units or commands. Most sustainment units provide logistics, personnel services, and health service support to I/R operations.

Military police are uniquely qualified to perform the full range of I/R operations. They have the requisite skill sets provided through specific training and operational experience. The skills necessary for performing confinement operations for U.S. military prisoners in permanent facilities are directly transferable and adaptable for tactical confinement of U.S. military prisoners and detention of detainees. All military police units are specifically manned, equipped, and trained to perform I/R operations across the spectrum and those identified as I/R units are the specialists within the Army for this role.

FM 3-39.40 depicts the changes in terminology from the focus on the contiguous battlefield to reflect the types of operations being conducted in today's OEs. These changes address the modifications made to previous EPW processing operations. The terms *division forward*, *central collection point*, and *corps holding area* no longer apply. They have been replaced with the terms *detainee collection point (DCP)* (brigade level), *detainee holding area (DHA)* (division level), *theater internment facility (TIF)*, and *strategic internment facility (SIF)*. This manual recognizes the role of police intelligence operations in I/R operations and enhances the critical importance of military police and military intelligence interaction at all echelons. It further highlights the long-standing requirement to treat all individuals humanely according to applicable U.S. laws and regulations, international laws, execution orders, fragmentary orders (FRAGOs), and other operationally specific guidelines such as Department of Defense (DOD) policies. Moreover, it stipulates that ill treatment of U.S. military prisoners, detainees (EPWs, CIs, and RP), and DCs is strictly prohibited, regardless of any circumstances or the chaos of major operations.

FM 3-39.40 aligns with FM 3-0, FM 3-39, FM 7-15, and other Army and joint doctrine, to include Joint Publication (JP) 3-63. This manual is organized into 10 chapters with 14 appendixes to provide additional details on I/R topics. Chapters 1 through 3 follow the flow of FM 3-39, and describe the military police function of I/R operations. Chapters 4 through 6 focus primarily on detainee operations, to include planning, preparing, executing, and sustaining all I/R operations. Chapters 7 through 10 focus on the confinement of U.S. military prisoners, rehabilitative programs for U.S. military prisoners and detainees, parole and release or transfer programs, and resettlement operations for DCs. A brief description of each chapter and appendix follows:

- Chapter 1 defines the objectives and principles of I/R operations and describes U.S. policies on the protection and care of all detainees, U.S. military prisoners, and DCs. It also emphasizes the fundamental requirement for the humane treatment of all persons captured, held, assisted, or otherwise under the control of DOD personnel, regardless of their individual status.

- Chapter 2 provides a description of I/R in support of operations across the spectrum of conflict. It examines the OE and the significant importance of I/R to tactical, operational, and strategic operations. Additionally, it discusses the importance of integrating detainee operations within the overarching efforts in major engagements.
- Chapter 3 discusses command and staff roles and their respective responsibilities in resourcing and synchronizing the efforts of multidisciplinary functions and personnel. Clear command and control (C2) is essential for seamless operations to ensure that the principles of I/R operations are realized.
- Chapter 4 focuses on detainee operations planning and considerations. It includes a discussion on integrating intelligence and interrogation operations. Emphasis is placed on the treatment and protection of detainees, use of force, and training for detainee operations.
- Chapter 5 provides information on the capture and initial detention and screening of detainees.
- Chapter 6 discusses facility infrastructure considerations at all levels. Successful operations include the effective incorporation of sustainment support. This chapter describes the integrated sustainment effort required to support I/R operations.
- Chapter 7 discusses the confinement of U.S. military prisoners, to include battlefield and nonbattlefield confinement.
- Chapter 8 provides a discussion of the rehabilitative processes for confined U.S. military prisoners and detainees, to include effective measures that ensure a successful return to society.
- Chapter 9 addresses the processes of paroling, transferring, or releasing U.S. military prisoners and detainees.
- Chapter 10 provides an overview of resettlement operations for DCs. It describes the objectives and principles, supporting organizations, and military police support of resettlement operations.
- Appendix A is a metric conversion chart that is included according to Army Regulation (AR) 25-30.
- Appendix B identifies military police units with I/R capabilities that may be assigned to the theater of operations.
- Appendix C describes requirements and activities associated with the employment of contractors during support to detainee operations.
- Appendix D describes the intent of the protections given by each of the four Geneva Conventions, the different categories of individuals under these treaties as required by international humanitarian law, and the requirement to establish a tribunal to determine the status of an individual in question.
- Appendix E provides background information and considerations for operating with the various agencies typically concerned with I/R operations.
- Appendix F provides a sample facility checklist for planning considerations when conducting detainee operations at the TIF or SIF.
- Appendix G consists of forms used when processing and maintaining I/R populations.
- Appendix H provides guidance for applying the rules for use of force (RUF) and implementing nonlethal weapons (NLWs) and riot control measures.
- Appendix I outlines health support to be provided during I/R operations.
- Appendix J provides guidance for the design and construction of I/R facilities and the associated sustainment requirements for establishing I/R facilities.
- Appendix K describes the psychological operations (PSYOP), practices, and procedures to support I/R operations.
- Appendix L provides general guidelines for the handling of captured material and documents that could be used as evidence in legal proceedings against captured persons suspected of crimes against humanity, terrorism, war crimes, and other crimes.
- Appendix M addresses biometrics and military police considerations for their use in I/R operations and facility management.

- Appendix N provides tactics, techniques, and procedures for establishing and maintaining a foreign confinement officer training program.

## Introduction

I/R operations facilitate the ability to conduct rapid and decisive combat operations; deter, mitigate, and defeat threats to populations that may result in conflict; reverse conditions of human suffering; and build the capacity of a foreign government to effectively care for and govern its population. This includes capabilities to conduct shaping operations across the spectrum of military operations to mitigate and defeat the underlying conditions for conflict and counter the core motivations that result in support to criminal, terrorist, insurgent, and other destabilizing groups. I/R operations also include the daily incarceration of U.S. military prisoners at facilities throughout the world.

This manual continues the evolution of the I/R function to support the changing nature of OEs. In light of persistent armed conflict and social turmoil throughout the world, the effects on populations remain a compelling issue. The world population will increase from 6 billion to 9 billion in the next two decades, with 95 percent of the growth occurring in the developing world. By 2030, 60 percent of the world's population will live in urban areas. Coexisting demographically and ethnically, diverse societies will aggressively compete for limited resources.

Typically, overpopulated third world societies suffer from a lack of legitimate and effective enforcement mechanisms, which is generally accepted as one of the cornerstones of a stable society. Stability within a population may eliminate the need for direct military intervention. The goal of military police conducting detainee operations is to provide stability within the population, its institutions, and its infrastructure. In this rapidly changing and dynamic strategic environment, U.S. forces will compete with local populations for the same space, routes, and resources. The modular force's ability to positively influence and shape the opinions, attitudes, and behaviors of select populations is critical to tactical, operational, and strategic success.

An adaptive enemy will manipulate populations that are hostile to U.S. intent by instigating mass civil disobedience, directing criminal activity, masking their operations in urban and other complex terrain, maintaining an indistinguishable presence through cultural anonymity, and actively seeking the traditional sanctuary of protected areas as defined by the rules of land warfare. Such actions will facilitate the dispersal of threat forces, negate technological overmatches, and degrade targeting opportunities. Commanders will use technology and conduct police intelligence operations to influence and control populations, evacuate detainees and, conclusively, transition rehabilitative and reconciliation operations to other functional agencies. The combat identification of friend, foe, or neutral is used to differentiate combatants from noncombatants and friendly forces from threat forces.

FM 3-39.40 is written with the acknowledgement that today's OEs are much more variable than the environments addressed in previous doctrine. Military police must be prepared to deploy into any OE and conduct I/R operations in support of the commander while dealing with a wide range of threats and other influences. This manual builds on the collective knowledge and wisdom gained through recent operations, numerous lessons learned, doctrine revisions, and the deliberate process of informed reasoning throughout the Army. It is rooted in time-tested principles and fundamentals, while accommodating new technologies and organizational changes.

This iteration of FM 3-39.40 has been driven by a lack of existing doctrine for the rehabilitation and reconciliation of detainees and changes in OEs, the Army structure, and Army and joint doctrine. Changes not already mentioned above that have directly affected this manual include the—

- Integration of I/R operations within the overarching counterinsurgency or irregular warfare efforts of current operations.
- Development of terms of reference for detainee typology and standardization of procedures for detainee assessment.

---

**Note.** Recent decisions by the Executive Branch have adjusted the typology in JP 3-63.

---

## Introduction

---

- Implementation of standardized programs and methods for rehabilitation, reconciliation, and repatriation of detainees.
- Planning, employment, and sustainment of military police capabilities in support of all echelons while conducting I/R operations.
- Alignment of I/R operations with the sustainment warfighting function.
- Technological and doctrinal updates to material in other publications.

The foundations of military police operations provided in this manual, together with related military police doctrine, will support the actions and decisions of commanders at all levels. Like FM 3-39, this manual is not meant to be a substitute for thought and initiative among military police leaders and Soldiers. No matter how robust the doctrine or advanced the military police capabilities and systems, it is the military police Soldier who must understand the OE, recognize shortfalls, and adapt to the situation on the ground. It is the adaptable and professional military police Soldiers of the Military Police Corps Regiment who are most important to the future and must successfully perform their basic skills to accomplish the mission, with or without technology assistance.

## Statement from Gary Stein

by Armed Forces Tea Party on Thursday, March 22, 2012 at 5:54am ·

"Freedom is never more than one generation away from extinction. We didn't pass it to our children in the bloodstream. It must be fought for, protected, and handed on for them to do the same." ~ Ronald Reagan

Its 2200... my daughter is well asleep and the dogs are in their kennels... I sit looking at the multiple awards and promotion certificates neatly organized along the mantle in my living room. As I look at them I think back of the great memories I have had during my 8 years of service... But then I snap back to reality... I am facing an Administrative Discharge from the Marine Corps for simply expressing my right to free speech and stating I would not follow unlawful orders. Read that again "facing an Administrative Discharge from the Marine Corps for simply expressing my right to free speech and stating I would not follow unlawful orders." Sounds crazy right? Now that is not what the papers handed to me exactly said but that is what it meant. It means that military do not rate the same basic rights that all other Americans do. I don't remember reading that in the Constitution.

I swore an oath to obey the orders of the President... But those orders must be lawful. It is the duty of each and every service members to know the difference between an unlawful and lawful order is. We need to education our service members on the Constitution. Just following orders is not a defense when having to answer for following unlawful orders.

The allegations drummed up against me are no more than an agenda by the Marine Corps to use me as an example. I have never spoken on behalf of the Marine Corps or in uniform. I have stayed within guidelines DOD Directive 1344.10 and made sure to. If I am guilty of anything it would be that I am American, a freedom loving Conservative, hell bent on defending the constitution and preserving Americas greatness. I am no more the Leader of the Armed Forces Tea Party than any other of 18,000 members are. I just happen to be normal guy who started a facebook page and who hold the Tea Party values close my heart and believes the Tea Party can enact real change in this county. We are all leaders in the Tea Party!

I thank everyone for the continued support of me and of AFTP. Now is the time we stand together as a Tea Party put aside the smaller issues that divide us from within, in order to accomplish the greater good of defeating President Obama in 2012 and electing a conservative Senate that will help the GOP Candidate repeal Obamacare and address the nation's economic and spending challenges. The Constitution is not Optional.

I will continue to keep you updated on the case

Zbigniew Brzezinski's much feared "global political awakening" is in full swing. Revolts in Egypt, Yemen, Tunisia and other countries represent a truly monumental worldwide rallying cry for freedom that threatens to immeasurably damage the agenda for one world government, but only if the successful revolutionaries can prevent themselves from being co-opted by a paranoid and desperate global elite.

During a Council on Foreign Relations speech in Montreal last year, co-founder with David Rockefeller of the Trilateral Commission and regular Bilderberg attendee Zbigniew Brzezinski warned of a "global political awakening," mainly comprising of younger people in developing states, that threatened to topple the existing international order.

Reading the full extent of Brzezinski's words in light of the global revolts that we now see spreading like wildfire across the planet provides an astounding insight into how crucially important the outcome of this phase of modern history will be to the future geopolitical course of the world, and in turn the survival and growth of human freedom in general.

"For the first time in human history almost all of humanity is politically activated, politically conscious and politically interactive... The resulting global political activism is generating a surge in the quest for personal dignity, cultural respect and economic opportunity in a world painfully scarred by memories of centuries-long alien colonial or imperial domination... The worldwide yearning for human dignity is the central challenge inherent in the phenomenon of global political awakening... That awakening is socially massive and politically radicalizing... The nearly universal access to radio, television and increasingly the Internet is creating a community of shared perceptions and envy that can be galvanized and channeled by demagogic political or religious passions. These energies transcend sovereign borders and pose a challenge both to existing states as well as to the existing global hierarchy, on top of which America still perches...

The youth of the Third World are particularly restless and resentful. The demographic revolution they embody is thus a political time-bomb, as well... Their potential revolutionary spearhead is likely to emerge from among the scores of millions of students concentrated in the often intellectually dubious "tertiary level" educational institutions of developing countries. Depending on the definition of the tertiary educational level, there are currently worldwide between 80 and 130 million "college" students. Typically originating from the socially insecure lower middle class and inflamed by a sense of social outrage, these millions of students are revolutionaries-in-waiting, already semi-mobilized in large congregations, connected by the Internet and pre-positioned for a replay on a larger scale of what transpired years earlier in Mexico City or in Tiananmen Square. Their physical energy and emotional frustration is just waiting to be triggered by a cause, or a faith, or a hatred...

[The] major world powers, new and old, also face a novel reality: while the lethality of their military might is greater than ever, their capacity to impose control over the politically awakened masses of the world is at a historic low. To put it bluntly: in earlier times, it was easier to control one million people than to physically kill one million people; today, it is infinitely easier to kill one million people than to control one million people. "

- Zbigniew Brzezinski ( Public Liar, Globalist, and mega-a-hole )

It is important to stress that Brzezinski was not lauding the onset of this "global political awakening," he was decrying it. As one of the chief architects of the "existing global hierarchy" to which he makes reference, Brzezinski himself is under direct threat, as is the continuing ability of the global elite in general to control world affairs.

Brzezinski laments the fact that the Internet has made it almost impossible for the global elite to control the political environment, to control the thoughts and behavior of one million people, which is precisely why [Egypt moved to shut down the world wide web](#) yesterday in a desperate bid to prevent activists from organizing against the state.

( We must understand that Egypt's revolution was caused by the establishment system, by design, in order to further destabilize the region. Yes, the Egyptian people think they have been taking control by the revolt, but when they are exhausted they will be given another form or dictatorship. They will not be given the freedom they demand, only a ruse. )

We emerged from World War II as the wealthiest and most powerful nation on the planet. During that time period, just about anyone that wanted to get a job could find a job and the U.S. middle class expanded rapidly. Back in 1950, America was still considered to be a “land of opportunity” and the economy was growing like crazy. There was less crime, there was less divorce, the American people had much less debt and the world seemed a whole lot less crazy. Most of the rest of the world deeply admired us and wanted to be more like us. Of course there were a lot of things that were not great about America back in 1950, and there are many things that many of us dearly love that we would have to give up in order to go back and live during that time. For example, there was no Internet back in 1950. Instead of being able to go online and read the articles that you want to read, your news would have been almost entirely controlled by the big media companies of the day. So there are definitely some advantages that we have today that they did not have back in 1950. But not all of the changes have been for the better. America is in a constant state of change, and many are deeply concerned about where all of these changes are taking us.

There has never been any society in the history of the world that has been perfect. America was flawed in 1950 just as America is flawed today.

But that doesn't mean that we should not reflect on how much things have changed over the past 62 years.

So which version of America would you rather live in?

America 1950 vs. America 2012 – you make the call....

In 1950, a gallon of gasoline cost about 27 cents.

In 2012, a gallon of gasoline costs [\\$3.69](#).

In 1950, you could buy a first-class stamp for just 3 cents.

In 2012, a first-class stamp will cost you [45 cents](#).

In 1950, [more than 80 percent](#) of all men were employed.

In 2012, [less than 65 percent](#) of all men are employed.

In 1950, the average duration of unemployment was about [12 weeks](#).

In 2012, the average duration of unemployment is about [40 weeks](#).

In 1950, the average family spent about 22% of its income on housing.

In 2012, the average family spends [about 43%](#) of its income on housing.

In 1950, gum chewing and talking in class were some of the major disciplinary problems in our schools.

In 2012, many of our public schools have been equipped with metal detectors because violence has become so bad.

In 1950, mothers decided what their children would eat for lunch.

In 2012, lunches are inspected by government control freaks to make sure that they contain the “correct foods” in many areas of the country. For example, one 4-year-old girl recently [had her lunch confiscated](#) by a “lunch monitor” because it did not meet USDA guidelines....

*A preschooler at West Hoke Elementary School ate three chicken nuggets for lunch Jan. 30 because the school told her the lunch her mother packed was not nutritious.*

*The girl's turkey and cheese sandwich, banana, potato chips, and apple juice did not meet U.S. Department of Agriculture guidelines, according to the interpretation of the person who was inspecting all lunch boxes in the More at Four classroom that day.*

*The Division of Child Development and Early Education at the Department of Health and Human Services requires all lunches served in pre-kindergarten programs – including in-home day care centers – to meet USDA guidelines. That means lunches must consist of one serving of meat, one serving of milk, one serving of grain, and two servings of fruit or vegetables, even if the lunches are brought from home.*

In 2012, the United States is [#13](#) in GDP per capita.

Here is just one leaked photo of one elite gold depot. This one is supposedly under London.

The elite think they 'own' and control most of the gold and other precious metal bullion. Yes the bulk of it was stolen through the elite's corrupt money printing and financial scams.

Armed forces:

Each successful reclamation operation of elite gold should reward you personally for your risk and effort, so each gold reclamation soldier should receive either 3, 2 or 1 bars of gold as a gifted bounty from the world's people.

The majority of the reclaimed gold (at least 2/3<sup>rd</sup> of all reclaimed bars) should be organized and guarded and held to fund the new benevolent system... funding new public projects; helping to elevate the quality of life of the masses of the world's underprivileged.

We The People for  
the Establishment of  
*The Independent States of America, I.S.A*

This document can be found online using keyword: “GrowFreedom”

We The People can make a dramatically positive difference together. We need a common theme. We can all live in a better and happier world. We need to do something big to mark a real change, hopefully prior to financial collapse and hyper-inflation of the US dollar in the Fall of this year 2012.

In the year 2012, we are United as 1939 Germany: one entire country, one currency, one financed puppet commander, and many wars. We are no longer 50 independent states. We are now much like the “unsinkable” Titanic, crashing into icebergs and taking on more and more water (debt). Our country has been sinking; slowly and listing dramatically. The elite class, who have schemed collectively as one mind, wants another world war for the poor to suffer and die in. Are we just going to take orders, get suited up as with one uniform, to kill more? Is it brave to bomb other people? Is there a more peaceful way to be?

Yet the seemingly forgotten 10th amendment to the Constitution grants each of our 50 states independence from central control. But the out of control central government is now creeping into our own homes. It started long ago with cancer causing fluoride waste-product from the aluminum industry put into more of our drinking water. Are we each free anymore? Have we now just become little slaves; Are we meek or really are we brave? Are we just the home of the slave?

Together we can remove the old corrupt global establishment that en-debts and controls the United States of America. We can definitely restore sanity, peace, balance, prosperity, & all beneficial human freedoms.

All we have to do to create a solid foundation for real positive change (not chump change) is agree to do one thing together, or at least most of us. That is, We wish to establish a new government by and for We The People in the eyes of Creation. We need immediate volunteers. The best chance of this is sharing this idea everywhere. Let's Establish of the “**Independent States of America**” or **I.S.A**. Simply don't say and write U anymore, instead say and write I; as in “I can make a difference.”

You can be the “I” in I.S.A.; a slight change of wording, but a big, real and tangible difference. We can establish a benevolent system; perhaps one that provides property to new citizens, when they turn 18.

Together, We can overcome a lying out-of-control parasitic criminally corrupt government. If every soldier joins us, then we don't even need to get our guns out to expunge today's class of corrupted politicians, in order to get them completely out of the way. Not centralized power, but 50 good short-term governors for the 50 independent states, elected by the people of each state. 50 currencies and 50 constitutions, for the protection of minority rights everywhere; as defined by the full voting electorate of each of the 50 states.

The USA can easily be made into The ISA. No more national war mongering state Offenses, just a strong set of 50 Independent State “Defenses”! A beneficial system; perhaps one that provides a home for every new family.

“I” agree to the establishment of the Independent States of America, in order to fully replace the old-establishment of elite corporate controlled, horribly corrupted, war mongering centralized power of Washington DC; we declare 50 states.

Just get two others to sign before framing your statement. It is the duty of every free and independent person to promote freedom and pass around many copies. If this quickly becomes a fad; We will convene for real progress. There is no web site behind this; nor any particular people. It is free to say “Yes!”.

# Universal People's Statement of Freedom

(Maximum Freedom or Fascist Slavery; it's each individual's decision. *Public opinion means everything.*)

*Lovers of Freedom have continuously struggled against the forces of tyrannical governments for multitudes of centuries in the ever deceptive and animated contest between the spirit of enslavement versus the spirit of liberty. When in the course of world events it becomes clear government has become intentionally deceitful, destructive, and murderous - using any form of falsehood, manipulation of media, or theater as cover for an array of crimes - as well as for the next form of government, it is a matter of self-defense for the people of the nation and the world to throw off a corrupt system of government enslavement; and with expediency set then widely announce another special date, apart from July 4th, that will in the future echo worldly celebrations of the cause of liberty. The people should subsequently convene in large numbers on that date and also through the public global computing system of the time, for a convention of the people. The result of the open convention is to have authored, selected, and begun the implementation of a more protective system of shared rights, law, governance, and justice for the current and future generations; of any nation; for the collective happiness of all.*

The laws of a Republic should be written clearly in the form of a constitution. However when once trusted political figures individually or as a whole concert of corruption, or the distribution of wealth or establishment system as a whole, betrays the trust of the citizenry by operating outside of the rules and constraints listed in such a constitution, then the citizens of the broken republic should take the stated recommendations of their previous declaration of independence & constitution, along with methods of self defense, back into their own hands. More than responsibility, it is the most sacred duty of the spirit of liberty and justice for all.

By the year 2008, through a persistent stream of offensive actions, including 9-11-2001, the organization widely known as the "United States Government" has declared itself murderous; while bankrupting the working class of America and instituting fascist rule. It has become evident to multitudes of people of every nation that the current government is allied with a cabal of corrupt international banking, war-mongering, so-called "freemasonic", "illuminati" or "new world order", interests. *Therefore* the "United States Government" has severely turned away from serving its sacred cause of freedom!

Therefore the "United States Government" has failed and is de-facto illegitimate as of the time of the announcement of this declaration at the start of the new people's convention. Revolution is the only possible cure for fascism; and it has already gone beyond the need for a once independent people to have a fresh start! The people's convention date will be decided by the truth movement.

Consequently, All of its previous authority over the citizenry is thereby removed by this declaration; and All freemasonic governments worldwide should be dissolved entirely by the great many world's people. All existing mob-ridden local governments over the individual and the municipalities should be fully dismantled, re-instituted, and rebooted with a fully transparent, efficient, protective, and accountable system model the people's convention democratically selects. All civil rights & laws should be voted for in a true 1-person-1-vote democratic and transparent form - as we always carry a vital responsibility to together choose what has control over our lives and what would ensure us maximum safety & happiness.

This progressive change of government should be enabled and empowered by the entirety of all national and returning armed forces together with all non-terminated local police and the widespread armed citizenry. No more system tyranny!

As we acknowledge this world-wide published declaration in multitudes, we pledge allegiance to each other. We are firm in our disassociation from the previous "United States Government" or any corrupt power. In unison We proclaim to disallow that organization to silence us, to control the mass media or the internet, to suppress us, to spray chemicals upon or conduct any experiments on us, to detain us, to imprison us, to terrorize nor genocide us, to tax us, to bill us, to create dollars or borrow credit, nor counterfeit paper money, to legislate for us nor to adjudicate any proceedings, to direct our armed forces, to make war, or make agreements in our name, nationally or internationally. We are fully aware of our Creation-given rights; **including dissent.**

**Addendum:** Initial action list for the people's convention (recommended date: **July 5th, 2011**; location: **St. Louis, MO**)

- \* Withdrawing our businesses and franchises from federal or state-wide taxation of the "United States Government" and its equally corrupt *mother companies, the United Nations, International Monetary Fund, and World Bank.*
- \* Create a new fully accountable system of money and taxation commissioned by the improved freshly-chartered citizen's government to: *pay off all national debts, redistribute wealth fairly, fund the new government, and reinvigorate the economy.*
- \* Build a beautiful new national capitol city designed by non-freemasonic architects and constructed by the many hands of the nation within a *large, and voted-upon, national forest. A new capitol is essential to mark the change in thinking.*
- \* Close and refurbish Washington DC, converting the former capitol into a city -wide orphanage and school campus for the nation's *underprivileged children; dedicated in honor of patriots who lived bravely before us without shame.*
- \* Establish a new passport identification, numbered as chronologically signed, and imprinted inside a new & improved Bill of Rights - to be made *available for all listed and future citizen signatories of this declaration of freedom from system tyranny statement; that anyone and everyone around the world is invited to recognize and support together forevermore. ( All inmates individually reviewed for possible release. )*
- \* No more will we allow homeless/helpless to be picked up, medically experimented upon, or murdered. Every destitute person should be given an opportunity by the new system to construct a dwelling and share in a community atmosphere.
- \* An end to the concept of "foreclosures". No more will the system be able to profit by conspiring to set market conditions so that people are unable to afford their family homes. Each house now belongs to the family, not to a bank.
- \* Project Fresh Start – **Organic Home Gardening Incentive Program**, using a portion of elite reclaimed wealth, to finally solve world hunger. We should each also be motivated to erect personal greenhouses and maintain private gardens year-round. ~~~

Democracy arises out of the notion that those who are equal in any respect are equal in all respects; because men are equally free, they claim to be absolutely equal. Republics decline into democracies and democracies degenerate into despotisms. - Aristotle

The modern banking system manufactures money out of nothing. The process is perhaps the most astounding piece of sleight of hand that was ever invented. Banking was conceived in inequity and born in sin... Bankers own the earth. Take it away from them but leave them the power to create money, and, with a flick of a pen, they will create enough money to buy it back again... Take this great power away from them, or if you want to continue to be the slaves of bankers and pay the cost of your own slavery, then let bankers continue to create money and control credit. - Sir Joseph Stamp, former president of the Bank of England

\$\$\$ We need to replace the self-destructive US dollar, now propped up as the world's reserve base currency. The current elite class have ideas for that already: the Amero, The Globo, the SDR, and the Bancor. However, we need to incarcerate the elite and reclaim the wealth they have stolen from the world through their big currency schemes of the past. A new world reserve currency would need a new name & new publicly transparent oversight and frequent audits by the people of the world. Elected boards should be established, and no board member should at any time profit excessively from their elected duty. Here is an idea for a name of a new global currency, the Dillar. For two reasons, the next currency will have a digital overlay to guard against counterfeiting, yet retaining privacy of use, so a digital dollar could be shortened to the Dillar. Also, since, We, the people of the world, are currently in a pickle, and the Dill is a name of a pickle, for humor's sake, the "Dillar" to replace the "Dollar" works too and would be the easiest transition. A fresh start for example would be this simple rule: everyone who had turned 18 years old, or does on their birthday, will receive D100,000 Dillars to start their new life and career. That would have the effect of distributing the wealth of the world evenly and fairly. They could choose to invest it in themselves via education, or into stocks in a new market, or into their own business, or assets such as their own house, etc. \$\$\$

## ***Soldiers Code***

1. I am an American soldier - A protector of the citizenry, sworn to uphold the Constitution of the United States.
2. I will treat others with dignity and respect and expect others to do the same.
3. I will honor my country and my fellow soldiers; those who are not traitors to the Bill of Rights & Constitution.
4. I am proud of my country & its flag. I wish to look back and say that I am proud to have served my fellow citizens.
5. Lastly, no matter what the situation I am in, I will never do anything for pleasure, profit, or personal safety which would disgrace my country, my uniform, my unit, my high school class, and the people of my country.

**Gary will be on the 2012 presidential ballot (for those of you sick of the corrupt 2-party regime/machine).**

**He will by the last 3 Executive Orders immediately:**

- 1) Eliminate all previous executive orders and restore the Bill of Rights back to the American People.**
- 2) Appropriately Convert the War on Terror to a *The War on Corruption in Government* bringing most American military soldiers back home in order to be able to oust, and arrest if appropriate, any corrupt offenders. Also this order will nationalize the Federal Reserve bank from private ownership and eliminate most of America's debt.**
- 3) Fire the entire existing congress and allow the people to hold immediate elections to elect currently unemployed people to restore an ethical and constitutional congress. By this same executive order he will ban all future use of executive orders.**
